A MESSAGE FROM OUR CEO

Building What's Next for Tuscaloosa County

The Tuscaloosa County Park & Recreation Authority exists to serve people—and in 2025, we continued to do so while making strategic decisions that will shape recreation and community life across our region for years to come.

This past year marked an important turning point. Working alongside the Tuscaloosa County Commission, the City of Tuscaloosa, and the City of Northport, PARA advanced key initiatives focused on strengthening infrastructure, expanding access, and positioning our community as a leader in recreation and wellness across the Southeast.

One of the most significant efforts was the coordinated transition of the Bama Theatre and PARA's Administrative Offices to Tuscaloosa County, completed in early 2026. This move reflects a strong commitment to long-term stewardship of important community assets while allowing PARA to sharpen its focus on delivering high-impact recreational services. Similarly, the evolution of our relationship with the Arts Council of Tuscaloosa positions both organizations for long-term success while maintaining a strong collaborative partnership.

At the same time, we responded to growing demand for recreational opportunities. Through the leadership of the City of Tuscaloosa and Tuscaloosa County, significant investments were made in pickleball and tennis facilities, expanding access and establishing one of the most robust racquet sport offerings in the region. By May 2026, the Tuscaloosa Tennis Center will feature 33 playable courts, further strengthening its position as a premier destination for both recreational and competitive play. PARA is proud to serve as the operational partner, ensuring these facilities are activated through quality programming, events, and daily use.

BOARD OF DIRECTORS

- *Elizabeth Winter, Chair*
- *Gary Falls, Vice-Chair*
- *Dr. Tony Johnson*
- *Curtis Travis*
- *Hunter Taylor*
- *Dr. Craig Fairburn*
- *Steven Deal*
- *Danny Higdon*

FOUNDATION BOARD

- *E. Barden Smedberg, Jr., Chair*
- *Kathryn Hornsby, Vice-Chair & Treasurer*
- *Anna Johnson, Secretary*
- *Hunter Taylor*
- *Elizabeth Winter*
- *Jeff Sides*
- *Kathie Buchalter Carnes*
- *Kenneth Todd*
- *Dominique Yancey*

Innovation also took a major step forward with the opening of Iron & Ember at the Jerry Pate Practice Facility—an exciting new model that blends technology, entertainment, and traditional sport to create a unique and accessible recreational experience.

While these investments are critical, they are only part of the story. PARA continues to deliver a wide range of programs and events that bring our community together—from signature events like The Gauntlet, Boo in the Park, and Grapes on the Green to family-focused traditions like EGGstravaganza. Our parks and facilities remain essential gathering places where connections are built, and communities grow stronger.

Equally important is the continued growth of our partnerships. By working closely with local businesses, nonprofit organizations, and community stakeholders, PARA is expanding opportunities to enhance programming, elevate events, and invest in the future of our system.

What remains clear is that expectations for public spaces continue to rise—and PARA is committed to meeting that moment. With the support of our Board of Directors and funding partners, we are not simply maintaining parks—we are building a system that is more connected, more responsive, and designed for the future.

The work ahead is meaningful, and we are just getting started.

Thank you for your continued trust, partnership, and belief in PARA.

BRIAN C. DAVIS

CEO

"We are not simply maintaining parks—we are building a system designed for the future."

REIMAGINE

FOUNDED IN 1969. TRUSTED FOR 55 YEARS.

ABOUT PARA

PARA offers something for everyone with almost 2,000 acres of green space, including over 30 parks, trails, and boat landings, plus seven activity centers, an acclaimed 18-hole golf course, an award-winning tennis center, recreation and leisure for all ages, special events, and more. We believe that every resident of Tuscaloosa County should have access to a healthy and wholesome quality of life. Through accessible parks and facilities, and the offering of recreation programs, healthy habits are built, lasting memories are made, and our community prospers.

To enrich our community through exciting recreational and cultural opportunities.

To create a sustainable legacy that unites our community with opportunities where families and individuals can come together to explore, connect, and grow in our parks and facilities and through recreational programs.

7 ACTIVITY CENTERS

TOTAL ACRES: 2083.81

The PARA Foundation is dedicated to raising funds to advance and strengthen quality in park and recreation within Tuscaloosa County Park & Recreation Authority properties.

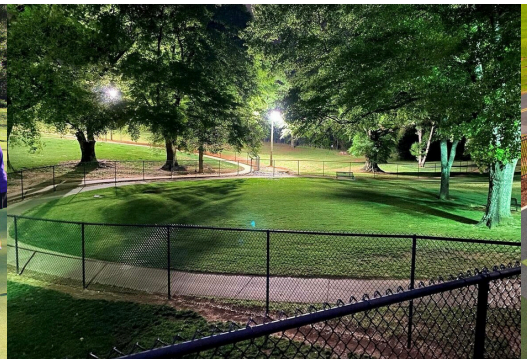
In 2025, the Tuscaloosa County Park and Recreation Authority Foundation raised over $152,700 to support parks and recreation initiatives across Tuscaloosa County. Key contributions included $28,000+ for the Tuscaloosa Junior Golf Academy, $16,850 for Therapeutic Recreation, $11,800+ for Mason's Place, and $6,000 in youth scholarships. While overall fundraising was slightly lower than in 2024, support remained strong across a broader range of programs.

The Foundation also secured a $33,000 Innovate Alabama grant and partnered with New Day Car Wash, with proceeds from the grand opening benefiting youth programming. Ongoing fundraising efforts continue to support youth programs, Will May Dog Park, Veterans Memorial Park, and the completion of Mason's Place All-Inclusive Playground at Sokol Park.

Foundation funding supported several key improvements in 2025, including the addition of a dog washing station at Sokol Park (featured in *Recreation Management Magazine*), enhancements to Mason's Place, and the purchase of a Playmate "Grand Slam" ball machine for the Tuscaloosa Tennis Center. The Foundation also continued its support of community events, including sponsorship of the Emily Baker Classic.

PARA also honors the legacy of Mary Ann Phelps, whose decades of leadership shaped the organization and community. In her memory, over $1,600 was donated to Mason's Place, continuing her commitment to inclusion and accessibility.

The PARA Foundation is a 501c3 tax-exempt charitable organization established in 1976 and managed by a board of directors composed of leaders from within our community. To learn more visit tcpara.org/donate.



OL' COLONY GOLF COMPLEX

Ol' Colony Golf Complex first opened in December 2000 as a meaningful investment in the quality of life for Tuscaloosa County. Twenty-five years later, we have remained true to that original purpose: making the game of golf accessible to everyone.

In 2025, that mission continued to grow. Through the Tuscaloosa Junior Golf Academy (TJGA), we now reach more than 15,000 young people each year. Our presence in local schools, field trips, and community programs continues to expand, and participation across all demographics continues to grow. It's a reflection of both the game's increasing accessibility and our staff's commitment to creating meaningful opportunities for youth in our community.

Ol' Colony remains proud to serve as the home course for 17 local high school and middle school teams, along with the men's and women's programs from Shelton State Community College. The consistent use of our course and practice facilities reinforces our role as a central hub for golf throughout West Alabama.

One of the most exciting developments this past year has been the continued growth of the Jerry Pate Practice Facility, highlighted by the addition of Iron & Ember. This space brings together technology, instruction, and entertainment to create new entry points into the game—whether someone is picking up a club for the first time or looking to sharpen their skills. It represents an important step forward in how we engage and serve our community.

Beyond daily play, Ol' Colony continues to host tournaments and events that draw visitors to Tuscaloosa, supporting local businesses and strengthening our reputation as a regional golf destination.

This year also marked a meaningful transition for our facility, as longtime Golf Professional John Gray retired after years of dedicated service. His impact on Ol' Colony and on the countless players he mentored will be felt for many years to come, and we are sincerely grateful for his contributions.

Set across 210 acres, with a 66-acre practice range, Ol' Colony carries a unique history while continuing to evolve. As we look ahead, our focus remains clear: to keep improving the course, expand opportunities for players of all skill levels, and ensure that Ol' Colony remains a place people are excited to return to.

Ol' Colony remains committed to continuing its legacy of growth, accessibility, and community impact.

Thank you for being part of our story and our future.

TUSCALOOSA TENNIS CENTER

The Tuscaloosa Tennis Center, a premier facility managed by PARA, offers high-quality courts, programs, and services for players of all ages and skill levels, fostering a vibrant and growing tennis community in Tuscaloosa.

In 2025, the facility experienced a year of significant growth and transformation. Following the groundbreaking in November 2024 as part of the Elevate Tuscaloosa initiative, the Tuscaloosa Tennis Center and Jaycee Park saw substantial expansion and improvements throughout the year. As the project nears completion, the facility will feature 18 outdoor hard courts, 12 outdoor clay courts, and 3 indoor hard courts, along with modern restrooms, concessions, a shaded pavilion, walking trails, new playground equipment, and enhanced lighting, security, and on-court streaming technology.

Membership remains strong, with more than 450 active members and over 1,100 patrons utilizing the facility. In addition to consistent casual play, the Tennis Center offers a wide range of clinics, lessons, leagues, and tournaments for all ages and skill levels. Partnerships with the Tuscaloosa Tennis Association have expanded programming opportunities, allowing TTC to support organizations such as Eagle's Wings, UCP, ARC, the Boys & Girls Club, and Net Generation programs within city and county schools.

The Tuscaloosa Tennis Center also serves as the home facility for several local high school teams, including Holy Spirit, Tuscaloosa Warriors, and ACA, while also supporting additional schools through clinics and training opportunities. The center continues to host premier events such as the Emily Baker Women's Classic, the RISE Tournament of Champions, the USTA Alabama Winter Mixed Championships, and the University of West Alabama Tennis Pro-Am. Looking ahead to 2026, the tournament calendar is expected to expand with local, state, regional, and national competitions.

As the Tuscaloosa Tennis Center continues to grow, the focus remains on expanding access, enhancing the player experience, and growing the game of tennis throughout the community.

Thank you to our members, partners, and patrons for your continued support.

Mike Goldammer

2025 ATTENDANCE
KEY TAKEAWAYS

- Youth Athletics experienced significant growth year-over-year, with participation expanding dramatically. Soccer (35.5%) and NFL Flag (26%) now lead, reflecting a major shift from basketball-heavy participation in 2024.
- Casual & Membership Use remains the largest overall category, though slightly decreased from 2024 totals, suggesting an opportunity for renewed engagement through facility upgrades and marketing efforts.
- Facility Rentals remained strong across all centers, with Phelps continuing to lead by a wide margin and Belk maintaining high usage. Rentals remain a key driver of both revenue and community engagement.
- Faucett Center continues to dominate overall usage (40.2%), increasing its lead over other centers. Distribution across other facilities remains relatively consistent year over year.
- Ol' Colony participation increased, as well as Park Operations usage, indicating a shift in how outdoor amenities are being utilized.
- Instructional Classes and volunteer engagement increased, highlighting continued growth in community programming and support involvement.
- Adult Athletics participation declined compared to 2024, identifying a key opportunity area for program redevelopment and outreach.
- Senior programming decreased significantly, largely due to the closure of the Northport Community Center, though remaining locations continue to show steady participation.
- Special Events and Tennis showed moderate growth, continuing to serve as stable and reliable program areas.
- Therapeutic Recreation and PARAkids programs continue to grow, reflecting strong momentum in inclusive and adaptive programming initiatives.

**Passive park use is not included in attendance.*

LOOKING AHEAD

Building for the Future

As PARA continues to grow, our focus remains on enhancing facilities, expanding access, and delivering high-quality recreational opportunities for all residents of Tuscaloosa County.

Key priorities for the coming year include:

- Continued expansion of the Tuscaloosa Tennis Center, reaching 33 total courts by May 2026
- Completion of Mason's Place All-Inclusive Playground at Sokol Park
- Ongoing investments in parks, facilities, and infrastructure across the PARA system
- Growth in youth programming, adaptive recreation, and community partnerships
- Expansion of innovative recreational experiences like Iron & Ember

PARA remains committed to building a system that supports healthy lifestyles, strengthens community connections, and serves generations to come.
