Project Name: University Boulevard East – Alberta Bridge Lighting Project

File Number: OCA-23-1323

Engineering Project Number: 2022.028.001

Sealed Bid Proposals will be received by the City of Tuscaloosa, at the Council Chamber of City Hall, 2201 University Boulevard, on October 25, 2023, at 10:00 a.m. local time for this project, at which time bids will be opened and read.

Pre-Bid Conference: Attendance at the MANDATORY Pre-Bid Conference is required in order for a General Contractor to submit a bid on this Project. The Pre-Bid Conference will be held at the Council Chamber of City Hall, 2201 University Boulevard, on October 18, 2023, at 10:00 a.m. local time.

Project Scope: Pedestrian style post top fixtures will be added along Alberta Bridge on University Boulevard East and the elevated roadway leading up to the bridge on the eastern and western sides of the bridge. The style of the new pedestrian fixtures will match the style of the existing roadway lighting along University Boulevard while adding bridge lighting in a similar fashion to those installed on the 2nd Avenue bridge located next to Coleman Coliseum. A new electrical service and infrastructure for future CCTV cameras will be provided as part of the infrastructure associated with the lighting. The project will also include an additional fiber conduit added across the Alberta Bridge that will provide an underground fiber connection for the City of Tuscaloosa on both sides of the Alberta Bridge along University Boulevard.

Award of the contract will be made within fifty (50) calendar days from the date of the bid opening.

Plans and Specifications: Plans and specifications and all related Contract Documents are open for public inspection at the office of Infrastructure and Public Services Administration, located at 2201 University Blvd., Tuscaloosa, Alabama and plans, specifications and other elements of the contract documents may be obtained from the office of the Engineer, Garner & Associates Engineering PC, designated as the office of the awarding authority for this purpose, located at 1490 Northbank Parkway, Suite 264-265, Tuscaloosa, AL 35406. The contact person for the project is Jed Rutherford and can be reached at 205-469-6098.
