CITY OF TUSCALOOSA PUBLIC WORKS CONTRACT DOCUMENTS

**SECTION ONE
ADVERTISEMENT AND NOTICE FOR BIDS
(2017)**

Sealed bids will be received by the City of Tuscaloosa, Alabama, a Municipal Corporation, in the Council Chamber in the City Hall, 2201 University Boulevard, on the 28th day of September, 2017, until 10:00, a.m., o'clock, local time, and then publicly opened and read for the furnishing of all labor and material (where required) and equipment for performing a public works project according to the plans, details, specifications and Contract Documents.

Award of the contract will be made within forty-five (45) calendar days from the date of the bid opening.

1. The Project:

A. The Project shall be known as Lift Station 2 Valve Replacement Project and the general character of said public works project shall consist of the following:

Replacement of 4 10" resilient wedge gate valves, 2 10" weight and lever check valves, and associated bypass pumping at City of Tuscaloosa Lift Station 2. LS 2 is located at 535 7th Avenue NE behind The Bluff at Waterworks Landing. The City shall provide valves to contractor for installation.

Valves to Be Replaced:

1. 4 - 10" Resilient Wedge Gate Valves, lay length 13", wheels on stems
2. 2 - 10" Weight and Lever Check Valves, lay length 24.5"

Bypass Pumping Requirements:

Station will have to be completely bypassed to replace gate valves. Bypass pumps shall be able to provide 3000 gallons per minute of flow at 80 feet TDH. Backup system shall be in place should initial bypass pump fail during valve replacement. Gravity line should be plugged to prevent influent sewer from flooding station during suction valve replacement. Bypass pumping and piping should not be installed in any way which restricts access to either the boat landing or construction project located adjacent to the lift station.

B. The approximate quantities of said Project are as follows: n/a

C. Special instructions are as follows: MANDATORY Pre-bid Conference will be held on site at the Hilliard Fletcher Wastewater Treatment Plant located at 4010 Kauloosa Avenue, Tuscaloosa, AL 35401 on Thursday, September 21, 2017 at 10:00 a.m.

D. The City will furnish the following: All valves and fittings required for replacement. Access to City facility. Pump station record drawings are available from City Representative, Andrew Burroughs, contact information listed below.

E. Time of Construction: From the date stated in the Notice to Proceed, the Project time of construction is 5 consecutive calendar days.

2. Plans and Specifications:

Plans and specifications and all related Contract Documents are open for public inspection at the office of Hilliard Fletcher Wastewater Treatment Plant, located at 4010 Kauloosa Avenue, Tuscaloosa, Alabama 35401. The contact person for the project is Stephen Daly. They can be reached at 205-248-5925 or 248-5602 and sdaly@tuscaloosa.com.

- A. Plans, specifications and Contract Documents may be obtained at the above location upon the deposit of \$ n/a, which amount does not exceed twice the cost of printing, reproduction, handling and distribution of each set of such documents. Deposits by prime Contractor bidders are refundable in full upon return of all documents in reusable condition within ten (10) days of bid opening. Additional sets of bid documents for prime Contractor bidders, subcontractors, vendors or dealers may be obtained upon payment of the same deposit. Such deposits will be refunded, less the cost of printing, reproduction, handling and distribution, if all the documents are returned in reusable condition within ten (10) days of bid opening.
- B. All eligible refunds of deposits for plans and specifications will be made by the City within twenty (20) days of bid opening.

3. Qualification of Bidders:

- A. All bidders must be responsible, meeting the criteria and requirements set forth in the Instructions to Bidders and bid proposal.
- B. Prequalification of Bidders IS ; IS NOT required.
If prequalification of bidders is indicated to be required by the preceding sentence, then written prequalification information is available for review at the same office where plans, specifications and Contract Documents are available.
- C. The attention of all bidders is called to the provisions of State law governing "general Contractors," as set forth in Ala. Code §34-8-1, et seq. (1975), and rules and regulations promulgated pursuant thereto.
- D. If a construction manager is being utilized and this contract is one of a multiple of trade contracts, then the bidder shall be fully licensed for the trade, as determined by applicable law.
- E. The City may not enter into a contract with a non-resident corporation or entity which is not qualified under State law to do business in the State of Alabama.
- F. All bidders shall possess all other licenses and/or permits required by applicable law, rule or regulation for the performance of the work.
- G. All bidders must submit with their proposal, Contractor's license number and a copy of the license. State law, Ala. Code §34-8-8(b), requires all bids to be rejected which do not contain the General Contractor's current license number.
- H. The City reserves the right to reject all bids and/or reject and rebid the Project should it determine the same is in the best interest of the City.

4. Construction Manager:

If the preceding blank is marked with an affirmative indication, it means that this contract involves the use of a construction manager and this contract is one of several multiple trade and/or multiple prime contracts for work on the Project. Bidders attention is called to the supplemental conditions attached to the General Conditions of the Contract Documents regarding this topic.

5. Bid Bonds: Each bidder must submit with its bid a cashier's check drawn on an Alabama bank or a fully executed bid bond on the form that is contained in the Contract Documents executed by a surety company duly authorized and qualified to make bond in the State of Alabama. All bonds, sureties and/or cashier checks will be made payable to the City for an amount not less than 5 percent of the City's or its engineers or architects estimated cost of the Project or of the total bid in the proposal, but in no event more than \$10,000.00.

6. Sales and Use Tax Savings: Alabama Department of Revenue Rule 810-6-3.69.02(2010) exempts certain payment of state, county, and municipal sales and use taxes by the contractor or subcontractor on tangible personal property to be incorporated into the realty pursuant to a contract with a municipal corporation such as the City of Tuscaloosa. All tax exempt purchases shall be in accordance with the laws of this state and the Alabama Department of Revenue. It is the sole responsibility of the successful contractor to make the necessary inquiries and determinations as to what materials or items of tangible personal property to be incorporated into the project qualify as tax exempt in the opinion of the Alabama Department of Revenue. Unless otherwise noted, the project will be bid and administered in compliance with the State of Alabama Act 2013-205, Certificate of Exemption from Sales and Use Tax for Governmental Entities, regarding sales and use taxes. Sales and use taxes shall not be included in the bid. The Contractor shall be responsible for obtaining a certificate of exemption from the Alabama Department of Revenue for purchases of materials and other tangible property made part of the project. Any subcontractors purchasing materials or other tangible personal property as part of the project shall also be responsible for obtaining a certificate of exemption. The estimate sales and use tax savings must be accounted for on the bid proposal. Failure to provide the estimated sales and use tax savings may render the bid as non-responsive. Other than determining responsiveness of the bid, sales and use tax accounting shall not affect the bid pricing nor shall be considered in the determination of the lowest responsible and responsive bidder.

7. Pre-Bid Conference: A Pre-Bid Conference IS X IS NOT _____ required for this Project. This MANDATORY Pre-bid Conference will be held on site at the Hilliard Fletcher Wastewater Treatment Plant located at 4010 Kauloosa Avenue, Tuscaloosa, AL 35401 on Thursday, September 21, 2017 at 10:30 a.m. An inspection of the project area will follow immediately after this mandatory pre-bid conference.

NOTE: All bidders are advised to carefully read the Instructions to Bidders contained in the Contract Documents, which provisions and requirements are adopted herein by reference.
