Transportation Standards for the City of Tuscaloosa**

DATE: January 16, 2018

**DUE DATE: Proposals are due by close of business before 5:00 p.m. CST. on
February 15, 2018.**

Section 1. Introduction.

This is a Request for Proposals (“RFP”) containing information concerning the above-referenced matter, an abbreviated scope of work, and evaluation items. Firms expressing interest should be fully capable of providing the end results requested.

This is a procurement of professional services as more particularly described herein. This procurement will be conducted in a manner providing full and open competition consistent with the standards of 24 CFR § 85.36. To wit:

- a. Each firm’s experience and qualifications will be evaluated primarily as they relate to the firm’s ability to provide: Transportation policies & standards for the City of Tuscaloosa, as well as design experience and application of transportation standards & policies.
- b. The City will make awards only to responsible firms possessing the ability to perform successfully under the terms and conditions of the procurement. Consideration will be given to such matters as firm integrity, compliance with public policy, record of past performance, and financial and technical resources. The City will require firms to execute a “Disbarment and Suspension Statement” certifying / verifying that the firm is not suspended or disbarred or otherwise excluded under 2 CFR Section 408.220 of the government-wide non-procurement, disbursement and suspension list.

This is a qualifications-based procurement of professional services whereby competitors' qualifications will be evaluated and the most qualified firm will be selected, subject to negotiation of fair and reasonable compensation.

- c. Written proposals will be reviewed and rated by a panel of qualified City employees. The rating system will consist of a numerical grading system and a pass/fail grading system, as set forth in Section 3. The City may or may not elect to interview any of the responding firms.
- d. The City has exclusive and sole discretion to determine the firm whose services will be most advantageous to the City, and reserves the right to reject all firms.

The purpose of this inquiry is to determine the interest or non-interest and the qualifications of firms in providing the professional services required. A number of firms may be asked to express their interest in regard to these services in the form of a Proposal. Following the receipt of Proposals, a certain firm or firms may be selected for further consideration.

Section 2. General Scope of Services

The City of Tuscaloosa seeks the services of a Professional Engineering firm which has the knowledge, experience and expertise to perform the services as requested.

The project of interest is as follows:

IPS requests Professional Engineering services to provide the following: Development of a policy document to govern transportation standards for projects within the City of Tuscaloosa.

Scope of Work: ____ Create a policy document suitable for adoption by City Council as a standard for roadways and pedestrian facilities. The standards should include transportation design and construction, including such items as design criteria, cross sectional elements, access management, minimum buildup and updated transportation standard drawings.

The firm must comply with all applicable state, local, and federal regulations related to the services provided to the City. The City reserves the right, subject to negotiation and agreement in writing with the selected firm, to either expand or limit the scope of services as needed.

The selected firm will be required to have sufficient personnel to complete the tasks required by this scope of services. The selected firm will complete the required tasks in a timely and efficient manner. The selected firm would be expected to enter into a contract for services based upon the firm's hourly rates and an agreed upon not to exceed amount.

Section 3. Firm Qualification and Proposal Requirements

Firms interested in performing the work will be considered on the basis of a proposal containing information submitted in response to this request in a form limited to twenty (20) pages in 12-point font or larger of either Times New Roman or Arial. Front and back shall be considered 2 pages.

Proposals are due by close of business before 5:00 p.m. CST. on February 15, 2018.

All proposals should be submitted in 8 ½" x 11" paper size, with directions as follows: Each proposal shall be prepared simply and economically, providing straightforward, concise delineation of the firm's capabilities to satisfy the requirements of this RFP. **Fancy binding and color displays other than those necessary are highly discouraged.**
