EDUCATION

Postdoctoral Research Fellow 2019-	Florida State University Departments of Psychology & Biomedical Sciences
Doctor of Philosophy 2019	The University of Alabama, Department of Psychology Experimental Psychology Concentration: Social Psychology Minor: Statistics
Master of Arts 2017	The University of Alabama, Department of Psychology Experimental Psychology Concentration: Social Psychology
Bachelor of Arts 2014	Ouachita Baptist University Psychology and Philosophy (double major)

PEER-REVIEWED PUBLICATIONS

IF = journal impact factor at time of publication

- Threadgill, A. H., & Gable, P. A.** (2019). Intertrial variability in emotive reactions to approach-motivated positive pictures predicts attentional narrowing: The role of individual differences. *Biological Psychology*, *142*, 19-28. doi: 10.1016/j.biopsycho.2018.12.015. *IF* = 2.891
- Threadgill, A. H., & Gable, P. A.** (2019). Memory consequences of negative affects high and low in motivational intensity. *Cognition & Emotion*, *33*(2), 332-345. doi: 10.1080/02699931.2018.1451306. *IF* = 2.688
- Lippe, M., Davis, A., **Threadgill, A. H.**, & Ricamato, A. (in press). Development of a new measure to assess primary palliative care perceived competence. *Nurse Educator*. doi: 10.1097/NNE.0000000000000682. *IF* = 1.245
- Thomas, T. L., Dalmida, S. G., **Threadgill, A. H.**, & Ungvary, S. (in press). Beliefs, health habits, and HPV vaccination. *Journal of Cultural Diversity*. *IF* = 0.810

Threadgill, A. H., & Gable, P. A. (2018). The sweetness of successful goal pursuit: Approach-motivated pregoal states enhance the reward positivity during goal pursuit. *International Journal of Psychophysiology*, *132 – Part B*, 277-286. doi: 10.1016/j.ijpsycho.2017.12.010. *IF* = 2.582

Threadgill, A. H., & Gable, P. A. (2018). Resting beta activation and trait motivation: Neurophysiological markers of motivated motor-action preparation. *International Journal of Psychophysiology*, *127*, 46-51. doi: 10.1016/j.ijpsycho.2018.03.002. *IF* = 2.582

Gable, P. A., Neal, L. B., & **Threadgill, A. H. (2018).** Regulatory behavior and frontal asymmetry: Considering the role of revised-BIS in relative right frontal asymmetry. *Psychophysiology*, e12910. doi: 10.1111/psyp.12910. *IF* = 3.074

Glenn, A. L., Rummel, R. J., Ong, M. Y., Lim, N. S. J., Ang, R. P., **Threadgill, A. H., ... Ooi, Y. P. (2017).** Neurocognitive characteristics of youth with noncomorbid and comorbid forms of conduct disorder and attention deficit hyperactivity disorder. *Comprehensive Psychiatry*, *77*, 60-70. doi: 10.1016/j.comppsycho.2017.06.005. *IF* = 2.194

Threadgill, A. H., & Gable, P. A. (2016). Approach-motivated pregoal states enhance the reward positivity. *Psychophysiology*, *53(5)*, 733-738. doi: 10.1111/psyp.12611. *IF* = 3.074

Gable, P. A., **Threadgill, A. H., & Adams, D. L. (2016).** Neural activity underlying motor-action preparation and cognitive narrowing in approach-motivated goal states. *Cognitive, Affective, and Behavioral Neuroscience*, *16(1)*, 145-152. doi: 10.3758/s13415-015-0381-4. *IF* = 3.287

CHAPTERS

Milona, M., **Threadgill, A. H., & Gable, P. A. (submitted for publication).** Hope, enthusiasm, and excitement. In A. Scarantino (Ed.), *Routledge Handbook of Emotion Theory*. New York, NY: Routledge.

SUBMITTED MANUSCRIPTS

Threadgill, A. H., & Gable, P. A. (2019). *Approach-motivated anger makes revenge sweeter and losses more aggravating: Investigation of the reward positivity in a novel aggression paradigm.* Manuscript submitted for publication.

Threadgill, A. H., & Hardin-Fanning, F. (2019). *Income and education are associated with factors affecting dietary choices in rural Central Appalachia.* Manuscript submitted for publication.

MANUSCRIPTS IN PREPARATION (ALL DATA COLLECTED)

- Threadgill, A. H.**, & Gable, P. A. *Past performance influences neural correlates of future goal pursuit*. Manuscript in preparation.
- Threadgill, A. H.**, & Gable, P. A. *Giving 'EEfRT': Gray's Reinforcement Sensitivity Theory and effortful behavior*. Manuscript in preparation.
- Threadgill, A. H.**, & Gable, P. A. *Neural activity underlying motor-action preparation during goal pursuit maintenance states*. Manuscript in preparation.
- Threadgill, A. H.**, & Gable, P. A. *Neural correlates of motor-action preparation influence emotional responding*. Manuscript in preparation.
- Threadgill, A. H.**, Tomeny, T. S., & Gable, P. A. *Neurophysiological correlates of emotion-cognition interactions in young adults with high-functioning autism*. Manuscript in preparation.
- Gable, P. A., Hart, W., **Threadgill, A. H.**, & Adams, D. L. *High approach-motivated positive affect enhances goal performance*. Manuscript in preparation.

PUBLISHED ABSTRACTS

* Denotes undergraduate collaborator

- Hardin-Fanning, F., Witt, C. & **Threadgill, A. H.** (2019). Age and education level are associated with fried vs. non-fried fish consumption in the Stroke Belt [Abstract]. *Journal of Nutrition Education and Behavior*, 51(7).
- Threadgill, A. H.**, & Gable, P. A. (2018). Anger makes revenge sweeter and losses more frustrating: Investigation of the RewP in a novel aggression paradigm [Abstract]. *Psychophysiology*, 55(S1), S30.
- Threadgill, A. H.**, & Gable, P. A. (2018). Revenge is sweet: Approach-motivated enhances the RewP to revenge opportunities [Abstract]. *Psychophysiology*, 55(S1), S72.
- Gable, P. A., & **Threadgill, A. H.** (2017). Cheesecake, chocolate, and choices: Intertrial variability in emotive reactions to high approach-motivated positive pictures predicts narrowed attentional scope [Abstract]. *Psychophysiology*, 54(S1), S36.
- Threadgill, A. H.**, & Gable, P. A. (2017). Success, one step at a time: Approach-motivated states enhance the reward positivity during progressive goal pursuit [Abstract]. *Psychophysiology*, 54(S1), S93.
- Wilhelm, R., **Threadgill, A. H.**, & Gable, P. A. (2017). The effects of uncertainty on beta suppression and response time accuracy [Abstract]. *Psychophysiology*, 54(S1), S145.

Threadgill, A. H., & Gable, P. A. (2016). From preparation to performance: Approach motivation impacts the gamut of goal pursuit [Abstract]. *Psychophysiology*, 53(S1), S10.

Threadgill, A. H., *Davis, K. B., *Titus, M. M., & Gable, P. A. (2015). Goals make rewards sweeter: The reward positivity in approach-motivated states [Abstract]. *Psychophysiology*, 52(S1), S58.

Mechin, N. C., **Threadgill, A. H.**, (Beasley, Z., Hicks, J. A., & Gable, P. A. (2014). Impulsivity enhances left-frontal activation to alcohol cues [Abstract]. *Psychophysiology*, 51(S1), S31.

SYMPOSIUM PRESENTATIONS

Threadgill, A. H., Neal, L. B., Eyer, J. C., & George, S. (2019, April). *What is mixed methods research? Conceptualization and application*. Paper presented at the University of Alabama Capstone College of Nursing Research Colloquium, Tuscaloosa, AL.

Hardin-Fanning, F., Witt, C., & **Threadgill, A. H.** (2019, April). *Income and education are associated with consumption of a plant-based diet in rural Appalachia*. Paper presented at the 20th annual meeting of the University of Alabama Institute for Rural Health Research, Tuscaloosa, AL.

Threadgill, A. H., & Gable, P. A. (2018, October). *Anger makes revenge sweeter and losses more frustrating: Investigation of the RewP in a novel aggression paradigm*. Paper presented at the 58th annual meeting of the Society for Psychophysiological Research, Quebec City, Canada.

Gable, P. A., & **Threadgill, A. H.** (2017, September). *Cheesecake, chocolate, and choices: Intertrial variability in emotive reactions to high approach-motivated positive pictures predicts narrowed attentional scope*. Paper presented at the 57th annual meeting of the Society for Psychophysiological Research, Vienna, Austria.

Threadgill, A. H., & Gable, P. A. (2016, September). *From preparation to performance: Approach motivation impacts the gamut of goal pursuit*. Paper presented at the 56th annual meeting of the Society for Psychophysiological Research, Minneapolis, MN.

Threadgill, A. H. (2015, September). *Goals make the reward sweeter: The reward positivity in approach-motivated states*. Paper presented at the First-Year Project Festival, Tuscaloosa, AL.

Davis, G., **Threadgill, A. H.**, Cheek, J., Jones, M., Meador, S., Keefer, L., & Cummins, S. (2013, March). *Why is grandma on Facebook? The influence of age and identity status on Facebook usage*. Paper presented at the 93rd annual meeting of the Southwestern Social Science Association, New Orleans, LA.

POSTER PRESENTATIONS

* Denotes undergraduate collaborator

Threadgill, A. H., Wilhelm, R., & Gable, P. A. (2020, February). *Coasting to a win: Approach motivation increases coasting behavior when performing better than expected*. Poster to be presented at the 21st annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.

*Crowder, R. A., Lippe, M., **Threadgill, A. H.**, & Epps, F. (2019, November). *Variables impacting quality of life of caregivers of persons with dementia: A secondary analysis*. Poster to be presented at the annual meeting of the Gerontological Society of America, Austin, TX.

Threadgill, A. H., & Gable, P. A. (2019, September). *Bi-directional influence of motor-action preparation: Greater motor beta suppression increases N1 amplitudes to appetitive stimuli*. Poster to be presented at the 59th annual meeting of the Society for Psychophysiological Research, Washington, D.C.

Hardin-Fanning, F., Witt, C., & **Threadgill, A. H.** (2019, July). *Age and education are associated with fried vs. non-fried fish consumption in the Stroke Belt*. Poster presented at the 52nd annual meeting of the Society for Nutrition Education and Behavior, Orlando, FL.

*Hutcheson, C., Ford, C., Barron, K., & **Threadgill, A. H.** (2019, April). *Adherence to AHA dietary recommendations by income level and race*. Poster presented at the 2019 University of Alabama Capstone College of Nursing Undergraduate Research Conference.

Hardin-Fanning, F., Witt, C., & **Threadgill, A. H.** (2019, April). *Income and education are associated with consumption of a plant-based diet in rural Appalachia*. Poster presented at the 20th annual meeting of the University of Alabama Institute for Rural Health Research, Tuscaloosa, AL.

Threadgill, A. H., & Gable, P. A. (2019, March). *Trait approach motivation relates to goal-directed effort*. Poster presented at the 20th annual meeting of the Society for Personality and Social Psychology, Portland, OR.

Threadgill, A. H., & Gable, P. A. (2018, October). *Revenge is sweet: Approach-motivated anger enhances the RewP to revenge opportunities*. Poster presented at the 58th annual meeting of the Society for Psychophysiological Research, Quebec City, Canada.

*Powell, M., **Threadgill, A. H.**, & Gable, P. A. (2018, March). *Can't remember? Ask your emotions*. Poster presented at the 11th annual University of Alabama Undergraduate Research and Creative Activity Conference, Tuscaloosa, AL.

- Threadgill, A. H.,** *Thomas, H., & Gable, P. A. (2018, March). *Anger augments neural responses during reward processing to revenge and aggravation*. Poster presented at the 19th annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
- Threadgill, A. H.,** & Gable, P. A. (2017, October). *Success, one step at a time: Approach-motivated states enhance the reward positivity during progressive goal pursuit*. Poster presented at the 57th annual meeting of the Society for Psychophysiological Research, Vienna, Austria.
- Wilhelm, R., **Threadgill, A. H.,** & Gable, P. A. (2017, October). *The effects of uncertainty on beta suppression and response time accuracy*. Poster presented at the 57th annual meeting of the Society for Psychophysiological Research, Vienna, Austria.
- Threadgill, A. H.,** & Gable, P. A. (2017, March). *Variations in motivational intensity in negative emotions influence scope of memory*. Poster presented at the 17th annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Threadgill, A. H.,** *Shoenberger, B. R., & Gable, P. A. (2017, January). *Negative affect varying in motivational intensity influences scope of memory*. Poster presented at the 17th annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Threadgill, A. H.,** & Gable, P. A. (2016, April). *The reward positivity is enhanced by approach-motivated goal states*. Poster presented at the 55th annual meeting of the Society for Psychophysiological Research, Seattle, WA.
- *Anderson, M., *Morgan, V., **Threadgill, A. H.,** & Gable, P. A. (2016, March). *Did Pixar get it right?: The influence of disgust, anger, and sadness on memory*. Poster presented at the 9th annual University of Alabama Undergraduate Research and Creative Activity Conference, Tuscaloosa, AL.
- Threadgill, A. H.,** *Davis, K. B., *Titus, M. M., & Gable, P. A. (2015, October). *The reward positivity in approach-motivated states*. Poster presented at the 55th annual meeting of the Society for Psychophysiological Research, Seattle, WA.
- Browning, L.E., Mechin, N., **Threadgill, A. H.,** & Gable, P. (April, 2015). *Approach motivation causes “virtual” alcohol myopia: Trait approach and greater left-frontal activation predict attentional narrowing*. Poster presented at the 2015 Graduate Student Annual Psychology Symposium, Tuscaloosa, AL.
- Mechin, N., **Threadgill, A. H.,** Browning, L.E., Hicks, J., & Gable, P. (April, 2015). *Impulsivity enhances left-frontal activation to alcohol cues*. Poster presented at the 2015 Graduate Student Annual Psychology Symposium in Tuscaloosa, AL.
- Mechin, N., **Threadgill, A. H.,** *Beasley, Z., Hicks, J., & Gable, P. (2014, September). *Impulsivity enhances left-frontal activation to alcohol cues*. Poster presented at the 54th annual meeting of the Society for Psychophysiological Research, Atlanta, GA.

AWARDS

- 2018 – Outstanding Thesis Award – College level (competitive; \$500; University-level finalist)
- 2017 – Excellence in Research by a Masters Student – Department level (competitive)
- 2017 – Three Minute Thesis Finalist – University level (competitive; \$100)
- 2017 – Graduate Council Research Fellowship – University level (competitive; \$15,000, plus tuition for one year)
- 2017 – Lacy Fellowship – Departmental level (\$11,985; spring semester funding)
- 2016 – Lacy Fellowship – Department level (\$11,985; fall semester funding)
- 2016 – Lacy Fellowship – Department level (\$3000; summer funding)
- 2014 – Weldon Vogt Outstanding Psychology Senior Award – University level, top senior psychology major
- 2014 – Don Harbuck Award for Excellence in Philosophy – University level, top philosophy student, sole recipient

STUDENT MENTORING

Emerging Scholars Mentor: Meagan Anderson, Victoria Morgan, Bailey Shoenberger, Kaci Davis, Madeleine Powell

Undergraduate Student Research Mentor: 31 (total) undergraduate students at the University of Alabama

TEACHING EXPERIENCE

*Also guest-lectured for one class period; † Co-Instructor

Instructor:

History & Systems of Psychology – Spring 2019
Introduction to Psychology, University of Alabama – Spring 2017[†], Fall 2018

Lab Instructor:

Affective Neurophysiology, University of Alabama – Spring 2018 (Graduate class)
Research Methods, University of Alabama – Fall 2015, Spring 2016

Teaching Assistant:

Statistics, University of Alabama – Spring 2016**, Fall 2017
Honors Introduction to Psychology, University of Alabama – Spring 2016
Physiological Psychology, University of Alabama – Fall 2015*, Fall 2014*
Introduction to Social Psychology, University of Alabama – Spring 2015
Psychology of Learning, University of Alabama – Spring 2015

Introduction to Psychology, University of Alabama – Fall 2014*
 General Psychology, Ouachita Baptist University – Spring 2014
 Statistics, Ouachita Baptist University – Fall 2013

PROFFESIONAL AFFILIATIONS

American Psychological Association, Student Affiliate
 Association for Psychological Science, Student Affiliate
 Society for Psychophysiological Research, Student Affiliate
 Society for Personality and Social Psychology, Student Affiliate

SERVICE

University Level:

University of Alabama

Committee on Research (Graduate Student Representative), Committee on IRB Issues (Graduate Student Representative), Facebook Committee (Graduate Student Representative), First-year Graduate Student Mentoring (two students), Undergraduate Research Conference presentation mentor, Psi Chi (Panel on Graduate Studies), Co-founder of the Philosophy Reading Group (“The Metaphysical Club”)

Community Level:

Concordia International School (Shanghai, China), Skyland Elementary School, Tuscaloosa Christian School, Tuscaloosa Magnet School (Gifted Program)

Our Brains are Awesome! – Guest Speaker

Evangelical Christian School

Brain and Behavior – Guest Speaker

Field Level:

Society for Psychophysiological Research

2020 Conference Program Committee, Committee to Promote Student Interests (Public Relations Sub-committee Chair), Conference Volunteer (x4), Facebook Committee

Association for Psychological Science

Student Grant Competition Reviewer, Student Research Award Reviewer

Society for Personality and Social Psychology

Conference Volunteer

Ad Hoc Reviewer for *Psychophysiology; Emotion; Social, Cognitive, and Affective Neuroscience; International Journal of Psychophysiology; Psychology & Neuroscience; Frontiers in Human Neuroscience; Scientific Reports*

INDUSTRY EXPERIENCE

2018-2019 – Research and Statistics Consultant – Capstone College of Nursing

2015-2019 – Senior Leadership Assessor – Evans Mahon, Inc. (work done for Mercedes-Benz)

2017-2018 – Data and Finance Intern – Walt Maddox for Governor

2015-2017 – Project Manager and Senior Data Scientist – University of Alabama Marketing Research
