

Millis Transfer, Inc Employee: Please give this flyer to flyer to the manager of your fitness center.

Would you like members driven to your club?

Millis Transfer, Inc. offers a fitness reimbursement to their employees. Eligible employees will receive a monetary incentive for visits made to participating clubs throughout the calendar month.

What's in it for the club?

- Can drive traffic to your center without the cost of advertising
- Can help acquire a competitive edge over other facilities and clubs in your area
- Can grow your membership base that you may not have had access to either wise.
- Potentially grow your monthly income.
- Participating in the Millis Transfer, Inc. Employee Reimbursement program is a wonderful way to add members and encourage healthy lifestyles!

How the plan works the club:

1. Millis Transfer, Inc. employees are responsible to pay for their own memberships, enrollment and key fob fees to the club each month.
2. You'll enroll the employee into the Healthy Contributions portal. Once a month, usage for the employee will be pulled automatically and submitted to Millis Transfer, Inc. on your behalf.
3. Millis Transfer, Inc. will pay out for the eligible employee's attendance at the end of the month. Millis Transfer, Inc will distribute the reimbursement funds directly to the employee's paycheck via their pay schedule.

To get started with the Millis Transfer, Inc. program:

1. Login to www.HealthyContributions.com. On the left-hand side of the page, under the HC logo, click *Add a Plan* and select *Millis Transfer, Inc.* from the drop-down menu.
 - a. You will receive a confirmation email from the Healthy Contributions team when your request has been accepted.
2. Healthy Contributions will provide information on the program once the club is enrolled.

For more information or if you have questions Please reach out to the Healthy Contributions team.
