In accepting this permit owner agrees to keep the object of permit neat and in good repair and to obey all the rules and regulations of Lake Tuscaloosa, Set out in ordinance No. 3885.

The City of Tuscaloosa is not responsible for any damage that may occur to the permitted structure, including without limitation damage that arises from falling trees, siltation, defect(s) in or on public property, or any other similar event or cause. Permittee hereby releases and holds harmless the City of Tuscaloosa and its officer's agents and employees for any damage to the permitted structure.

Proposed construction shall meet all applicable codes. I understand that this permit is conditioned upon the correctness of the information I have supplied and may be revoked upon a finding of the Lake Manager, that any relevant item of information is substantially incorrect. this permit becomes null and void if work is suspended or abandoned for a period of 1 year at any time after work has commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specifies herein or not, the granting of a permit does not presume to give authority or cancel the provisions of any other state or local law regulating construction or the performance of construction.
