Instructions for Completing the Minimum Specifications Table

Bidders must indicate compliance with the specification item listed below by selecting either “YES” or “NO” in the appropriate box. This form must be fully and accurately completed for the bid to be considered responsive.

- **YES** – The proposed vehicle meets or exceeds the specification as written.
- **NO** – The proposed vehicle does not meet the specification as written. All “NO” responses must be fully explained on the bidder’s letterhead and included with the bid submission.

Failure to provide a complete and accurate response may result in the bid being deemed non-responsive and rejected.

For Line 18., the response contained in this Addendum shall supersede any prior response provided in the IFB response form.
