Compensation - Clarification

Question

"I am inquiring about the pay of the PD appointment for municipal court? I plan on submitting a proposal but unsure if you pay the OID's hourly rate per misdemeanor classes or does the city have a rate for these cases?"

Answer

"Compensation will be in a yearly "not-to-exceed" amount dependent on monthly receipts from the Fair Trial Tax Fund. Receipts from past years indicate between \$110,000 and \$120,000 per year."
