(h) Bidders are advised that all City Contracts are subject to all legal requirements provided for in the Purchasing ordinance and/or State and Federal Statutes.

2. DESCRIPTION OF SUPPLIES

(a) Any manufacturer's names, trade names, brand name, or catalog numbers used in specifications are for the purpose of describing and establishing general quality levels.   1. The bidder misstates or conceals any material fact in the bid, or if,

  2. The bid does not strictly conform to the law or requirement of bid, or if,

  3. The bid is conditional, except that the bidder may qualify his bid for acceptance by the City on an "all or none" basis, or a "low item" basis. An "all or none" basis bid must include all items upon which bids are invited.

(b) The City may, however, reject all bids whenever it is deemed in the best interest of the City. The City may also waive any minor informalities or irregularities in any bid.

SPECIAL CONDITIONS

The General Conditions of Invitations to Bid and any Special Conditions stated shall be considered as part of the specifications of the bid.

Reference to brand names and numbers is descriptive, but not restrictive, unless otherwise specified. Bids on equivalent items meeting the standards of quality thereby indicated will be considered, providing the bid clearly describes the article offered and indicates how it differs from the referenced brands. Descriptive literature and manufacturer’s specifications plus any supplemental information necessary for comparison purposes must be submitted with the bid or the bid on that item will be rejected. Reference to literature submitted with a previous bid or on file with the Division of Purchasing will not satisfy this requirement. The burden is on the bidder to demonstrate that the item bid is equivalent to the item specified in the ITB. Any exceptions taken to any item(s) must be fully explained in written detail on bidders’ letterhead and attached to the bid when submitted.

Awards shall be made or contracts entered into with the lowest responsible bidder(s) meeting all specifications and terms and conditions established by the Division of Purchasing. The Division of Purchasing reserves the right to determine the lowest responsible bidder on the basis of an individual item or group of items. Delivery dates may be a factor in awards. Local Bidder Preference will be used in bid evaluation in accordance with State of Alabama Bid Law Section 41-16-50(a).

The issuance of a City of Tuscaloosa Purchase Order or Purchasing Card is required to constitute a contract between the vendor and the City of Tuscaloosa, which shall bind the vendor to furnish and deliver the commodities and/or services ordered at the prices, terms, and conditions quoted.

Questions concerning the bid process and specifications should be directed to David Coggins at (205) 248-5186 or dcoggins@tuscaloosa.com (e-mail is preferred).

Any addendums issued for this bid will be posted on the City Of Tuscaloosa website at http://www.tuscaloosa.com/bids. It is the responsibility of the bidder to check this page for any addendums before submitting their bid.

The term of this contract shall be for a period of one (1) year from the date of the Purchase Order hereof and shall automatically renew each year for up to two (2) years for a total maximum contract term of three (3) years from the date of execution hereof, unless sooner terminated pursuant to the provision herein provided. However, either party may elect not to renew the contract by giving the other party thirty (30) days written notice prior to the anniversary date, in which event the contract shall terminate on the anniversary date.

Vendor to submit the following:

- Signed Special Conditions page
- Any necessary descriptive literature and/or specifications information as outlined above and/or elsewhere in this document
- Completed and signed Specifications/Bid Submissions page(s)
- Completed and signed Bidder’s Response Form

NOTE: Sheet(s) submitted without Company Name & Signature WILL NOT be considered for bid award.

VENDOR MUST SUBMIT AN ORIGINAL BID AND ONE COMPLETE COPY OR THE BID MAY BE REJECTED.

Bid submissions shall be submitted in a sealed envelope and addressed to: David Coggins, Purchasing Agent, 2201 University Blvd., Tuscaloosa, AL 35401. The name and address of the bidder, the date and hour of the bid opening and the Bid Title shall be placed on the outside of the envelope. Failure to properly address and label sealed envelope may result in bid rejection.

Do not send samples with your bid response. If samples are required for the bid award, they will be requested by the City of Tuscaloosa Purchasing Division. When requested, samples must be made available within three (3) business days of sample request. Failure to comply with this requirement will eliminate your bid from consideration.

Any sample used to make an award in this bid will become part of the City Of Tuscaloosa bid file and will not be returned to the vendor. Unsolicited samples will not be returned and will become property of the City Of Tuscaloosa.

In addition to the specific items listed in this bid, the awarded vendor will agree to sell additional clothing styles/designs to the City at discounts comparable to awarded bid prices.

Shirt and Outerwear Sizes: S-5XL and XLT-5XLT

Shirts and outerwear will be screen-printed or embroidered with the following logo on the left chest in a size of 1 ¾” x 1 ¾”. Headwear will be embroidered with this logo.

Screen-printing and embroidery will be either one-color or two-color, and will be in a contrasting color to clothing. Colors for screen-printing and embroidery will include, but not be limited to, the following colors: Black, Pantone 424 Industrial Gray, Pantone 7690 Blue, Pantone 369 Green, Pantone 458 Gold, and White.
ORDERING & WEB PAGE REQUIREMENTS

Awarded bidder(s) will be required to offer a fully functional, customized web page for the City to use for order placement. This web page will only include the items listed in this bid document. Additionally, the awarded bidder(s) will provide City departments the ability to customize a web page for their department’s use, selecting only the items from the item list they choose to make available to their department’s employees.

In addition to the customized web page(s), awarded bidder(s) will provide a way for the City to special order clothing items not specifically listed on their bid list. Pricing for these special orders will be comparable to the awarded bid prices for similar items.

In the event the City wishes to add or remove items to the clothing list contained herein, the awarded bidder(s) will update web page(s) in a timely manner.

All bidders shall include with their bid submissions an overview of the custom web page(s) they will provide to the City if awarded this bid. This overview will be detailed enough to allow City personnel to evaluate the functionality of the web page(s) and how the ordering process will work. Bidders are also requested to provide three references of other City/local government agencies for whom they currently maintain similar web page(s).

PRICING INFORMATION

Awarded bid prices shall be firm for one year from date of award. Awarded bidder(s) may request price adjustments to be effective at the one-year and two-year anniversary dates. All requests for price increases must be supported by documentation that justifies the request (manufacturer price increases, etc.). No price increases will be approved by the City without sufficient justification. In the event prices for any items decrease, awarded bidder(s) are required to pass those price reductions on to the City at the next anniversary date.
PRODUCT DETAILS

For some items, a specific brand and style number are listed. These are the brands/styles approved by the City, and they are strongly preferred.

Bidders may submit bids for brands other than those specified below. However, the burden of proof is on the bidder to provide information that proves the alternate brands they bid are “equal to” the item numbers specified in this bid. If bidders submit bids for alternate brands other than the items specified, complete descriptive literature and specifications information for those items must be included with bid submission. Failure to include this information for alternate brand items will render your bid nonresponsive, and it will not be considered. Whether any alternate brand items are deemed “equal to” the specified brands shall be the decision of City Of Tuscaloosa personnel. Alternate product bid items that are determined not to be “equal to” the specified brands will not be considered for award.
