**SPECIAL CONDITIONS**

**The General Conditions of Invitations to Bid and any Special Conditions stated shall be considered as part of the specifications of the bid.**

Reference to brand names and numbers is descriptive, but not restrictive, unless otherwise specified. Bids on equivalent items meeting the standards of quality thereby indicated will be considered, providing the bid clearly describes the article offered and indicates how it differs from the referenced brands. Descriptive literature and manufacturer's specifications plus any supplemental information necessary for comparison purposes must be submitted with the bid or the bid on that item will be rejected. Reference to literature submitted with a previous bid or on file with the Division of Purchasing will not satisfy this requirement. The burden is on the bidder to demonstrate that the item bid is equivalent to the item specified in the ITB. Any exceptions taken to any item(s) must be fully explained in written detail on bidders' letterhead and attached to the bid when submitted.

Awards shall be made or contracts entered into with the lowest responsible bidder(s) meeting all specifications and terms and conditions established by the Division of Purchasing. The Division of Purchasing reserves the right to determine the lowest responsible bidder on the basis of an individual item or group of items. Delivery dates may be a factor in awards. Local Bidder Preference will be used in bid evaluation in accordance with State of Alabama Bid Law Section 41-16-50(a).

The issuance of a City of Tuscaloosa Purchase Order or Purchasing Card is required to constitute a contract between the vendor and the City of Tuscaloosa, which shall bind the vendor to furnish and deliver the commodities and/or services ordered at the prices, terms, and conditions quoted.

Questions concerning the bid process should be directed to David Coggins at (205) 248-5186 or [dcoggins@tuscaloosa.com](mailto:dcoggins@tuscaloosa.com) (e-mail is preferred). Questions concerning Specifications should be directed to Tony Klostermann at (205) 248-5440 or [jkloster@tuscaloosa.com](mailto:jkloster@tuscaloosa.com).

Any addendums issued for this bid will be posted on the City Of Tuscaloosa website at <http://www.tuscaloosa.com/bids>. It is the responsibility of the bidder to check this page for any addendums before submitting their bid.

The term of this contract shall be for a period of one (1) year from the date of the Purchase Order hereof and shall automatically renew each year for up to two (2) years for a total maximum contract term of three (3) years from the date of execution hereof, unless sooner terminated pursuant to the provision herein provided. However, either party may elect not to renew the contract by giving the other party thirty (30) days written notice prior to the anniversary date, in which event the contract shall terminate on the anniversary date.

**BID CONDITIONS & SPECIFICATIONS****General Information**

The purpose of this bid is to establish pricing for ALS supplies and medications necessary to outfit the Tuscaloosa Fire & Rescue Service's EMS personnel. The contract resulting from this bid award will be for up to three (3) years, as outlined in Special Conditions on page 3.

**Bid Award**

The City intends to award this bid to one bidder. In order to be considered for bid award, bidder must submit a bid that meets specification for each line item. Failure to submit a bid for each line item will eliminate a bid submission from consideration. Additionally, if any product/item submitted for consideration does not meet specification, that bid will be eliminated from consideration.

**Purchase Quantities**

The items and quantities listed form a complete set of supplies capable of outfitting one (1) EMS unit in the field. The City intends to make an initial purchase for as few as eight (8) or as many as twelve (12) complete sets of supplies. While this initial purchase is the City's intention, budget constraints or other factors might affect that plan. Therefore, there are no guarantees of quantities for this initial purchase.

After the initial purchase, the City will order the supplies on an as needed basis throughout the life of the contract. There are no estimates of quantities to be purchased, and no guarantees of purchase quantities.

**Pricing**

Awarded bid prices are expected to remain firm throughout the life of the contract. However, awarded bidder may request price increases at the annual renewal date. Any such requests must be made in writing at least 30 days before the anniversary date, and must include documentation sufficient to justify the price increase request. If there are price decreases for any items, the awarded bidder shall be required to pass along those cost reductions to the City.

Bid prices shall be inclusive of all shipping, handling, freight, and any other charges. No additional charges or fees shall apply. There shall be no minimum order quantities or amounts.

**Order Fulfillment**

Awarded bidder shall be expected to fulfill orders within 15 calendar days of order placement by the City. In the event of shortages or other market conditions that prevent fulfillment of orders within this 15-day requirement, vendor shall inform City personnel of the delay, and shall fill the order as quickly as possible.

**Product Info**

Some of the item descriptions on the following pages contain a brand name. In those cases, that brand name has been approved as acceptable and is the preferred brand. In the event a bidder submits an alternate brand for consideration, the bidder must include specifications information and documentation that demonstrates that the alternate brand is "equal to" the brand specified. Failure to include such documentation for alternate brands will

---

subject bid to rejection. The burden is on the bidder to demonstrate that the item bid is equivalent to the item specified.

**Purchase of Additional Items**

The item list in this bid constitutes the current inventory required by an EMS unit in the field. The City reserves the right to add or substitute additional similar items as needed if those requirements change. In the event of such an addition or substitution, awarded bidder agrees to extend pricing comparable to bid awarded prices for these additional items.

**License Authorization Form**

Bidders shall include a License Authorization Form with their bid submission. This form will be signed by the City's medical director upon bid award. This form will allow awarded bidder to dispense any controlled substances and equipment that requires medical authorization. This form shall meet State of Alabama and DEA licensing requirements. Awarded bidder shall keep this authorization form current through the life of bid award. If multiple forms are required for certain controlled substances, awarded bidder shall obtain these forms and keep them current as necessary.
