Sheriff Pettway Campaign, Birmingham, AL — Volunteer

March 2022 -

I worked as a volunteer during my freshman year of college for the Sheriff Pettway Campaign during his run for re-election as sheriff of Jefferson County. I worked by making phone calls to the residents of Jefferson county to promote him and encourage voters to vote for him on voting day. I also played the role of assistant to his assistant to which I did extra projects on the side too. For example, I would make phone calls to other volunteers regarding events, I would record the data of whether voters got their yard signs, among other things.
