It's a Wonderful Life Live!

The 1946 Radio Broadcast

"A well-loved tale told live with style, charm and such heart that it could burst the rib cage of the harshest Grinch." - Chicago Sun Times

IT'S A WONDER LIFE is one of the most beloved, classic Christmas motion pictures of all time. The Ritz wants everyone to experience this inspiring and uplifting story LIVE on stage, in a dramatized Chicago radio studio broadcast as it would have happened in 1946, before America had television. This first-class theatrical production is presented in full actor characterizations, sets, period costumes, and amazing FOLEY sound effects.
