

# Valentine's 4 Seniors

The Community Projects Committee of the Tuscaloosa Association of REALTORS® presents its February community project as a way to reach out to Seniors in our community who are not expecting a Valentine this year.

You can help with this project by donating the items below that will be distributed to Seniors as well as assist the day of the project by handing out Valentine's to the residents of Forrest Manor Nursing Home.

**When:** Tuesday, February 12<sup>th</sup> from 1:00pm - 3:00pm

**Where:** Forrest Manor Nursing Home: 2215 32<sup>nd</sup> St. Northport, AL 35476

**Donations needed:** Scented body wash for men and women, Scented lotion for men and women, Kleenex, spring door hangers, small stuffed animals, balloons and flower donations, adult coloring books, colored pencils, candy.

**Event:** We will meet at the nursing home from 1:00-3:00pm and will split up into groups to deliver Valentine's to residents who cannot leave their room. From 2:00-3:00pm we will play bingo with a group of about 30 residents in the common area. The goal is to put a smile on each resident's face.

**Details:** The nursing home has 162 beds so we will need lots of volunteers. Even if you can stay for only 1 hour, please come and bring your co-workers. Dress in festive colors and be prepared to touch a life.
