

Building for the KINGDOM

what

A financial campaign to expand our worship, learning, and fellowship facilities.

when

Campaign begins October 1, 2021

how

Gift pledge commitments payable through December 31, 2023.

who

All those at Christ Harbor wanting to participate in this growth process.

why

Christ Harbor needs more space now for our current ministries, and space for future generational growth.

Proposed Expansion

The approximately 14,000 square foot expansion will be added to the rear of our current church building. The expansion will include:

- Multiple classrooms for children, youth and adults
- A dedicated area for students to gather, bring friends and grow spiritually
- A large multipurpose room for at least 300 people to gather, eat and fellowship
- A fully equipped kitchen
- Expanded sanctuary facilities

Timeline

It is anticipated that project completion will take between 9 to 12 months once groundbreaking takes place.

Estimated Cost

Based upon preliminary drawings we estimate the cost of the expansion to range between \$2 and \$2.5 million. Once final requirements and drawings are completed, we will be able to provide a more detailed estimate.

What is Our Pledge Goal

The good news is that through previous gifts we currently have approximately \$1 million in our new building account. The more we receive in pledges the less we will have to borrow to pay for the expansion. Based upon current estimates we would need an additional \$1 - \$1.5 million in pledges to fully fund the expansion. We believe this is an achievable goal.

How Can Pledges Be Made

Pledges can be made by using a physical pledge card available at the church or by using a digital pledge card available on our website:

Christharbor.org

Before making your pledge we suggest that you go into a time of prayer and fasting to ask God for guidance in your decision.
