Executive Summary

Students receiving a credential from Wallace Community College Selma (WCCS) were asked to respond to a survey upon graduation. In the 2021-2022 academic year (Fall, Spring, and Summer semesters), 129 students responded to the survey. Ten students (7.81%) anticipated graduating in Fall 2021, 85 students (66.41%) anticipated graduating in Spring 2022, and 33 students (25.78%) anticipated graduating in Summer 2022. Of the respondents, 38.10% received a certificate, 45.24% received an Associate in Science, 12.70% received an Associate in Applied Science, and 4.76% received an Associate in Arts.

In the year after graduation, 34.13% are planning on transferring to a four-year college or university, 32.54% are planning on to pursue full-time employment and a higher degree at the same time, and 27.78% are planning being employed full-time.

Students were most satisfied with the registration process, academic calendar for the college, and the college in general. Students were most dissatisfied with the attitude of instructors toward students, testing system, and the college book store.

A majority (89.76%) of the respondents indicated that their overall impression of the quality of education at WCCS was good or excellent and 76.38% would choose to attend WCCS again.

Introduction

Graduating students for Fall 2021, Spring 2022, and Summer 2022 semesters were asked about their experiences at WCCS and their post-graduation plans. Students were asked to indicate the semester of graduation, their plans for the coming year, which academic credential they received, their overall impression of the quality of education at WCCS, and if they would choose WCCS if they could start college over.
