Mission Statement

Our mission is to achieve positive change through the generosity of donors, now and for generations to come.

Why we *Love* what we do

Our donors are generous, impactful & intentional

Each day at the Community Foundation of Northeast Alabama is different and unique. We have the honor and privilege of working with generous donors to accomplish their philanthropic goals. These goals are accomplished through the creation of a fund. Each fund is as unique as its donors, and the Guidelines reflect their charitable purpose.

Sometimes we know when a donor has included the Community Foundation in their estate because we have been entrusted to assist them in designing their gift. Other times, a donor is familiar with the work of the Foundation and plans their gift with their professional advisor. And then that surprising visit, call, or letter announces a gift has been made. One such opportunity this year was the surprise of the \$1 million-dollar gift from the estate of Phillip L. and Elise A. Sanguinetti to establish a scholarship fund.

"I love telling our donors' stories and sharing the impact their generosity has provided."

– Susan Williamson,
Vice President of Advancement
& Communications.

"I love witnessing the generosity of donors and being a part of the team that brings their philanthropy to fruition."

– Sharon Zachery,
Executive Assistant

"Helping people fulfill their charitable dreams while positively impacting the region we serve."

– Fred Smith,

Scholarship Update

Amber Leigh McAbee – C.V. Glassco Memorial Scholarship Fund established by Family Savings Credit Union

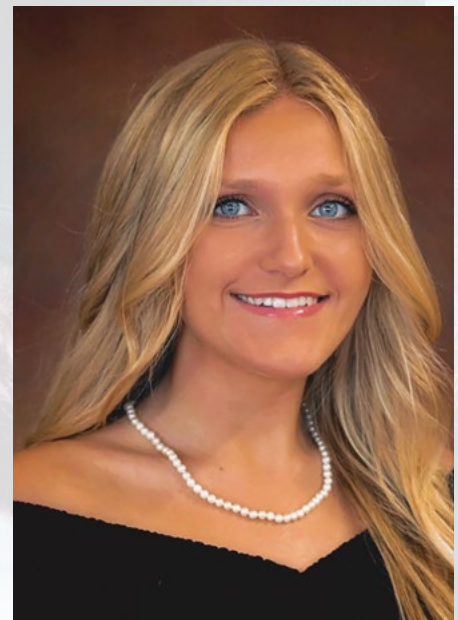

Dear C.V. Glassco Memorial Scholarship Donor,

I am thrilled to be a recipient of the C.V. Glassco Memorial Scholarship. I want to thank you for your generous offer that will support my dreams of receiving a marine science degree, which will allow me to support ocean life through scientific studies.

I am a first-generation college student from the small town of Fyffe, AL. Although my family is lower class, we always try our best to take a beach trip every summer because my family knows how much I enjoy it and how much I enjoy giving back to coastal communities by participating in beach clean-ups. From a young age, I always had an interest in sharks and ocean environmental impacts, which has encouraged me to make a career of my passions.

In the future, I hope to become a shark researcher for NOAA Fisheries, so I can fulfill my dreams of studying sharks, especially tiger sharks. I believe spreading the importance of these magnificent creatures is important for their safety and the safety of the ocean's ecosystems. The C.V. Glassco Memorial Scholarship will help with financial stress and will allow me to focus on doing well in my classes. The generosity of this offer will help make my dreams a reality, and I can not wait to see where my future will take me on account of this scholarship.

Thank you,
Amber Leigh McAbee

The Anvil Society

The Community Foundation of Northeast Alabama formally established The Anvil Society. This program honors individuals or families who commit to shaping and forging a stronger future for our community.

Membership is perpetual and recognizes those who have arranged a planned gift to the Community Foundation through a will, trust, or contract assignment. Once a gift has been established, the donor's name is placed on a column in the lobby of the Community Foundation. Atop the column is an Anvil boasting the word "Future".

Between October 1, 2021 – September 30, 2022, The Anvil Society welcomed 3 new members: Sonde M. Coleman and Regena and John Baker.

2022 L. R. "Rush" Jordan Award

Congratulations Steven Folks

Each year the chair of the board of trustees recognizes an individual for their contribution to significantly furthering our work, as exemplified by the former trustee and board chair, L. R. Rush Jordan.

"It is my honor to present the 2022 L. R. Rush Jordan Award to Steven Folks in recognition of his contribution of time and talent." Anthony Cook, CFNEA Board Chair.

"As I was reading Rush Jordan's biography, it was his years of service as a mentor to others that stood out to me. While I admire the philanthropy and character of all those considered for this award, it's the area of mentorship that caused Steven Folks to stand out.

It would be hard to find a young adult who grew up in West Anniston over the past 30 years and was not positively influenced by his tough love 'Good Choices' approach to coaching and mentoring young people.

Even today as City Manager, he continues to pour into the lives of others by helping guide them under the proven philosophy of "Good choices lead to good results."

Folks began in the Parks and Recreation Department in 1995 and became the director in 2007. His hard work and dedication led to Folks being named city manager in 2019, though he says the city's growth was a team effort.

Steven has advocated for the Community Foundation since he joined the board of trustees in 2005 and served until 2012. He has established two funds: the **Good Choices Fund**, which provides educational and recreational programs for children living in the Greater Anniston area and is served by the Anniston Parks & Recreation Department, and the **First Tee National School Program Fund**, which provides a positive impact on the lives of young people through the game of golf. In addition, Steven oversees the **City of Anniston Fund**, which recommends charitable grants and expenditures within the city limits of Anniston, Alabama," says Anthony Cook, Chair

Steven Folks

Above, the City of Anniston Fund recommends charitable grants and expenditures within the city of Anniston.

Left, the First Tee National School Program Fund provides a positive impact on the lives of young people through the game of golf.

The Community Foundation of Northeast Alabama is governed by a volunteer board of trustees. These dedicated individuals provide stewardship for the Community Foundation and its charitable activities by establishing policy, setting priorities, governing effectively, and determining final funding decisions. Our trustees represent the areas of community, education, finance, legal, business & industry, accounting, administration, health & human services, media & marketing, retail, arts & culture, and entrepreneurship.

Out of the Shadows Summit

After a brief hiatus due to Covid-19 restrictions and an abundance of care and caution, the Out of the Shadows Summit returned. The summit provides access to professional resources for mental health clinicians, counselors, consumers, and family members throughout our region. The event was held in May with over 275 participants and 25 organizations.

Compliance

National Standards for U.S. Community Foundations were designed to demonstrate transparency and financial responsibility. In addition, they also guide governing boards to adopt sound policies and practices and help build the capacity of community foundations to carry out their missions. The Community Foundation of Northeast Alabama has maintained compliance since 2006.

Transparency

The current Annual Report, IRS Form 990, and public information items such as an annual audit report, fees charged, spending policy, and investment manager information for the Community Foundation of Northeast Alabama are available to all interested individuals. These documents are located on our website, www.cfnea.org, or may be requested in writing by contacting the Community Foundation of Northeast Alabama, 1130 Quintard Avenue Suite 100, Anniston, Alabama, 36201 or by calling 256-231-5160, ext. 29.
