Aviation Maintenance Technician Program

Our Aviation Maintenance Technician program is the perfect launchpad for your journey. With experienced professionals as your guides, you'll dive into the nitty-gritty of aircraft maintenance, from hand-on inspections to repairs and everything in between.

But don't let the "hands-on" part fool you - this isn't just about getting your hands dirty. We will give you the chance to work with **real-world systems and technologies**, preparing you for the exciting challenges ahead.

Upon completing our program you will be ready to take on a variety of **jobs in the aviation** industry, including..

- **Maintenance Manager**
- **Line Maintenance Technician**
- **Structural Repair Technician**
- **Systems Technician**

**Average Maintenance Tech
salary: \$16-\$32/hour**

Cost of course – \$9,500

**3rd party financing options are
available if needed.**

Come fulfill your aviation aspirations -
contact us today to take the first step towards a life in the skies!

**Disclaimer: Training for this program is owned and managed by Aeropro, a subsidiary of Rescium Inc. and is not administered through Wallace Community College Selma.*
