Four WCCS Students Awarded Transfer Scholarships

SELMA – Four WCCS students were recently awarded transfer scholarships to The University of Alabama at Birmingham.

The recipients are: Stephen Hunt, Phi Theta Kappa Scholarship; Raniya Brockington, Phi Theta Kappa Scholarship; Sa'Mya Tompkins, Transfer Excellence Scholarship; and Suhail Almojadid, Transfer Excellence Scholarship.

"I am grateful to receive this scholarship from UAB," said Almojadid, who plans on majoring in Mechanical Engineering. "I am fortunate to be able to finish my education without any debt."

"As part of our mission, we strive to transition students into the world of work or four-year colleges and universities," said Dr. James M. Mitchell, WCCS President. "These are just a few of our students that have received transfer scholarships to other four-year institutions of higher learning."

About WCCS Wallace Community College works to provide high-quality learning-centered educational opportunities and services through diverse instructional-delivery modes that are responsive to individual, community, state, and global needs.
