

NON-RESIDENTIAL RECYCLING SERVICE REQUEST

Business Name: _____

Business Address: _____

Phone Number: _____

Water Account #: _____

Email: _____

* I would like to receive emails updates from the city of Tuscaloosa regarding environmental news and events: YES NO

_____ I would like to enroll in the non-residential recycling program

_____ I would not like to enroll in the non-residential recycling program

Program details:

- The service is only available to city of Tuscaloosa non-residential garbage customers with active water and garbage accounts that are in good standing.
- The program is voluntary and interested Customers must make application with the Environmental Services Department to start the service.
- There is no cost for the recycling cart or service.
- Customers will be assigned a 96 gallon city recycling cart. The cart will remain the property of the city of Tuscaloosa and must be returned to the City in the event the customer decides to no longer participate in the recycling program or vacates the property.
- It is the responsibility of the Customer to maintain possession and cleanliness of the City garbage cart. Any cart that is lost, missing, stolen or damaged outside of normal wear and tear will subject the Customer to a \$55 replacement fee, payable to the city of Tuscaloosa.

Collection details:

- Recycling will be collected on the same day as garbage service.
- Place paper products, loose or bagged, inside of the garbage cart.
- Contain plastics and metals inside of a plastic or paper bag and then place in the recycling cart
- Do not place loose metals or plastics in the cart
- Cardboard must be empty and flattened and placed at the curb next to your recycling cart
- Prevent cardboard from becoming a safety or litter hazard by making sure small, flattened cardboard boxes are contained inside larger boxes
- Do not allow recyclables to get into the street or to obstruct walkways
- If it is determined that a Customer's volume of recycling is more than can be contained in one recycling cart, the Customer can be request another cart through the Environmental Services Department and one or more cart will be provided at no cost, while supplies are available
