

## **Gwen Parrish**

Gwen Parrish owns and operates The Vine Chiropractic with her husband, Dr. Ryan Parrish, D.C. She has been a board member of Historic Main Street Oxford since 2019 when she and her husband opened The Vine Chiropractic in Historic Downtown Oxford. Gwen is an East Tennessee State University Alumni.

Gwen is the mother of three children, Grace-Ann, Hunter, and Olivia. She homeschools her children through Classic Conversations of Anniston and teaches first and second grade on community days. She enjoys drinking coffee and reading books, but her favorite hobby by far is building community. Parrish serves the board because “Small business is the backbone that bridges the gap in communities.”

“They succeed when they operate on community. When I buy coffee, teach bible study, and shop at local businesses in Oxford— building community drives all my hobbies,” Gwen states about her passion for serving the community and Historic Main Street Oxford.
