Building Bridges to the Future

Year 1

Be certain to frequently communicate with your advisor or coach. Your coach is located in the Student Success Center.

Time management and discipline are important factors to being successful in college. Schedule time to study and stick to the schedule.

Do not forget to order your books and access codes by the deadline. To access Patriot Backpack, click [here](#). You will need your books to be successful in your class. Do not forget to pick-up your hard copy books from bookstore or have them ship to you. If you did not opt out of the WCCS backpack program, do not use the trial version of your access codes.

Become familiar with your support resources by clicking [here](#). The College offers free 24 hours 7 days a week tutorial services online through Bartleby in Canvas. In-person tutorial services are also available in Student Services. To receive in-person tutorial services call (334) 876-9262. Your instructor is also available to provide additional assistance.

Are you planning to transfer to a university? Do not forget to complete your transfer agreement no later than the first semester through Alabama Transfer. Contact your coach for more information.

Are you on track to completing your certificate or Associate Degree on time? In order to finish on time, try to take 15 credit hours per semester --- 15 to finish.

Do not forget to apply for financial aid for the next year which begins the Fall semester.

Year 2

Get ahead by taking classes during the summer semester.

Know what you need to do to keep your financial aid and/or scholarship. Contact financial aid at (334) 876-9296.

Are you on track to completing your degree? Check your degree works to determine how much more you need to complete your degree. Also, speak with an advisor. Remember that dropping and failing classes can put you behind.

Build relationships with instructors or staff who can serve as a future reference on your employment applications by taking advantage of office hours or by attending extra-curriculum activities.

Be certain to continue to frequently communicate with your advisor or coach.

If you are planning to transfer, Student Support Services is an excellent resource to assist you with your transfer. You can contact SSS by calling (334) 876-9262.

If you planning to go directly into work after completing your degree, begin seeking employment opportunities and know the requirements for the job. Contact our workforce development department at (334) 876-9389 to receive additional soft skills training and certifications.
