Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**PICKENS COUNTY COMMUNITY ACTION COMMITTEE,  
AND COMMUNITY DEVELOPMENT CORPORATION, INC.  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 - NATURE OF OPERATIONS:**

**Pickens County Community Action Committee, and Community Development Corporation, Inc.** is a non-profit agency that engages in the administration of federal, state and local grants intended to aid in the reduction of the effects of poverty on the economically disadvantaged in Pickens County, Alabama. The Agency is organized on a non-stock basis and is dependent on contributions and grants as its sources of funds.

**A. Basis of Presentation**

The financial statements of the Agency have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Agencies" (the "Guide"). (ASC) 958-205 was effective June 1, 2018.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Agency and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Agency. The Agency's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Non-Profit Agency or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

**B. Measure of Operations**

The statements of activities report all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Agency's ongoing activities.

**C. New Accounting Pronouncement**

In February 2016, the FASB issued guidance requiring a lessee to recognize a right-of-use ("ROU") asset and lease liability on the balance sheet for most lease contracts (which include those leases that are currently classified as operating leases under the current accounting standard). Additional disclosures are required to meet the objective of enabling

**D. Functional Expenses:**

The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among supporting services. Such allocations are determined by management on an equitable basis. The expenses that are allocated include the following:

<u>Expense</u>	<u>Method of Allocation</u>
Grants	Time and Effort
Salaries and benefits	Time and Effort
Education and awareness	Time and Effort

Travel	Time and effort

Other	Time and effort

**E. Income Taxes**

Pickens County Community Action Committee and Community Development Corporation, Inc. operates as a nonprofit Program and is exempt from Federal and State income taxation under Section 501 (c) (3) of the Internal Revenue Code. The Program implemented the accounting guidance for uncertainty in income taxes. Under the standards, tax positions need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by tax authorities. As of May 31, 2021, management determined the Agency had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

The Agency's form 990, Return of Agency Exempt from Income Tax, for the years ended May 31, 2018, 2019, and 2020 are subject to examination by Internal Revenue Service, generally for three years after they were filed.

NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 - NATURE OF OPERATIONS (Continued):**

**G. Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**H. Property and Equipment**

It is the Agency policy to capitalize property and equipment over \$5,000. Property and equipment purchased with grant funds are owned by the Agency while used in the program for which it was purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the property and equipment purchased with grant funds. Its disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations. The property and equipment purchased with grant funds are normally restricted for use in specific programs operated by the Agency. The only restrictions on these assets are that they should be used to benefit the program which purchased the asset. Depreciation is recorded on these assets using the straight-line basis over the estimated useful lives of the assets, primarily three to thirty-nine years, by decreasing equity in assets purchased with federal funds and increasing accumulated depreciation.

Property and equipment are depreciated using the straight-line method. The useful lives of the assets are generally as follows:

Building	20-40years
Modular Building	10 years
Furniture and fixtures	Up to 10 years
General Office Equipment	5 years
Computer hardware and peripherals	3-5 years
Computer Software	2-3 years

The Agency may not transfer, mortgage, assign, lease or encumber certain property items without prior approval. Improvements and betterments are capitalized, while repairs and maintenance expenditures are expensed in the statement of activities.

**I. Donated Materials, Facilities and Supplies**

Donations of materials, facilities and supplies are recorded as support at their estimated fair value in the statement of activities and net assets without restrictions, unless the donor has restricted its use.

**PICKENS COUNTY COMMUNITY ACTION COMMITTEE,  
AND COMMUNITY DEVELOPMENT CORPORATION, INC.  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 - NATURE OF OPERATIONS (Continued):**

**J. Grants**

**K. Recognition of Grantor/Donor Restrictions**

Support that is restricted by the grantor/donor is reported as an increase in without restriction in net assets if the restriction expires in the reporting period in which the support is recognized. All other grantor/donor with restricted support is reported as an increase in with donor restriction in net assets, depending on the nature of the restrictions. When a restriction expires, with restriction net assets are reclassified to without restrictions net assets.

AND COMMUNITY DEVELOPMENT CORPORATION, INC.  
NOTES TO THE SCHEDULE OF FEDERAL EXPENDITURES**

**NOTE 1 -**

**BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards (the SEFA) summarizes the federal expenditures of the Organization under programs of the federal government for the year ended May 31, 2021. The amount reported as federal expenditures were obtained from the Organization's general ledger. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Because the SEFA presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets and cash flows of the Organization.

For purposes of the SEFA, federal awards include all grants, contracts, and similar agreements entered into directly with the federal government and other pass-through entities. The Organization has obtained Assistance Listing Number (ALN) numbers to ensure that all programs have been identified in the SEFA. ALN numbers have been appropriately listed by applicable programs. Federal programs with different ALN numbers that are closely related because they share common compliance requirements are defined as a cluster by the Uniform Guidance.

**NOTE 2 -**

**RELATIONS OF THE SCHEDULE TO PROGRAM FINANCIAL REPORTS**

The amounts reflected in the financial reports submitted to the awarding federal and/or pass-through agencies and the SEFA for the year end may differ. Some of the factors that may account for any differences include the following:

- The Organization's fiscal year end may differ from the program's year end.
- Accruals recognized in the SEFA, because of year end procedures, may not be reported in the program financial reports until the next program reporting period.
- Fixed asset purchased and the resultant depreciation charges are recognized as fixed assets in the Organization's financial statements and as expenditures in the program financial reports.

**NOTE 3 -**

**FEDERAL PASS-THROUGH FUNDS**

The Organization is also the sub-recipient of federal funds that have been subjected to testing and are reported as expenditures and listed as federal pass-through funds. Federal awards other than those indicated as pass-through are considered direct.

**NOTE 4 -**

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

AND COMMUNITY DEVELOPMENT CORPORATION, INC.  
NOTES TO THE SCHEDULE OF FEDERAL EXPENDITURES**

**NOTE 5 - NONCASH ASSISTANCE**

The Organization did not receive any federal noncash assistance for the year ending May 31, 2021.

**NOTE 6 - INDIRECT COST RATE**

The Organization elected not to use the 10% de minimis cost rate.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

**Board of Directors**

**Pickens County Community Action Committee,  
and Community Development Corporation, Inc.  
Carrollton, Alabama**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of **Pickens County Community Action Committee and Community Development Corporation, Inc.** (a nonprofit Agency), which comprise the statement of financial position as of May 31, 2021, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 29, 2022.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the **Pickens County Community Action Committee and Community Development Corporation, Inc.** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **Pickens County Community Action Committee and Community Development Corporation, Inc.** internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

and Community Development Corporation, Inc.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the **Pickens County Community Action Committee and Community Development Corporation, Inc.** financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We have audited Pickens County Community Action Committee and Community Development Corporation, Inc. compliance with the types of compliance requirements described in the Uniform Guidance that could have a direct and material effect on each of Pickens County Community Action Committee and Community Development Corporation, Inc. major federal programs for the year ended May 31, 2021. Pickens County Community Action Committee and Community Development Corporation, Inc. major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the term and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Pickens County Community Action Committee and Community Development Corporation, Inc. major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Pickens County Community Action Committee and Community Development Corporation, Inc. compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

***Opinion on Each Major Federal Program***

In our opinion, **Pickens County Community Action Committee and Community Development Corporation, Inc.** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended May 31, 2021.

**Report on Internal Control Over Compliance**

Management of **Pickens County Community Action Committee and Community Development Corporation, Inc.** is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered **Pickens County Community Action Committee and Community Development Corporation, Inc.** internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of **Pickens County Community Action Committee and Community Development Corporation, Inc.** internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
