Last Reviewed: **DATE**

Policy / Purpose:

It is the policy of Wallace Community College – Selma (WCCS) to provide a crime prevention program for its students and employees.

Scope:

This policy applies to all WCCS students and employees during any activity involving the College, including the workday. In addition, visitors, vendors, contractors, and all other non-employees are expected to recognize and comply with this policy.

Definitions:

There are no definitions applicable to this policy.

Details:

1. **Crime Prevention Program:** The College will provide a program of education designed to instruct all members of the College community on how to better protect themselves and their property. Through campus publications, orientation, and special presentations, students and employees will become aware of criminally induced dangers and appropriate responses to these dangers.

Procedure(s):

1. There are no procedures applicable to this policy.

Additional Provisions / Information:

There are no Additional Provisions / Information for this policy.
