 \_\_\_\_\_ Program Review  
 Review Period \_\_\_\_\_ - \_\_\_\_\_

### External Review Team Report

This External Review Team Report is for the partial fulfillment of the College's program review process. Program reviews are conducted every five years. Each program review involves the completion of a self-assessment by program employees and an external review conducted by an independent external review committee. The data presented in this report will be used to strengthen the College's programs of study. This written report will be included in the final Program Review Report.

| External Reviewer                                                                                                                     | Credentials    |            |                   |
|---------------------------------------------------------------------------------------------------------------------------------------|----------------|------------|-------------------|
|                                                                                                                                       |                |            |                   |
|                                                                                                                                       |                |            |                   |
|                                                                                                                                       |                |            |                   |
|                                                                                                                                       |                |            |                   |
| Review of Program Goals, Objectives and Activities                                                                                    | Not Acceptable | Acceptable | Needs Improvement |
| The program is meeting market/industry demands and/or preparing students for advanced study?                                          |                |            |                   |
| There is enough student demand for the program?                                                                                       |                |            |                   |
| There is enough Business and Industry demand to support offering the program                                                          |                |            |                   |
| Program enrollments and program graduation/completion rates justify the required resources? <b>(cost -vs- revenue)</b>                |                |            |                   |
| <b>Comments:</b>                                                                                                                      |                |            |                   |
|                                                                                                                                       |                |            |                   |
| Review of Program Curriculum                                                                                                          | Not Acceptable | Acceptable | Needs Improvement |
| Is the program curriculum appropriate to meet current and future market/industry needs and/or to prepare students for advanced study? |                |            |                   |
