If necessary, this authority may be revoked verbally by any designated member of the Tuscaloosa Police Department, Water & Sewer Department, or Tuscaloosa Fire Rescue Service.

I, the customer, understand that a \$30.00 permit fee for the installation of the fire hydrant is non-refundable, and a \$50.00 deposit on the account will also be required. I will be billed for **any** water used from the hydrant. I also understand that I am responsible for any damage to this meter and will be billed for damages up to and including replacement of meters damaged beyond repair, lost, or stolen. I further understand the \$30.00 permit fee is a 30-day permit and per each renewal. I also understand that any tampering of the meter would result in violation of city code section 16-29.
