THE UNIVERSITY OF ALABAMA

2026 EDITION

JACK HASTINGS

2026 IFC PRESIDENT

To whom it may concern,

On behalf of the 34 fraternity chapters that make up the Interfraternity Council, it is my pleasure to welcome you to the Capstone of Higher Education. The University of Alabama is one of the most prestigious academic institutions in the nation, with arguably the best resources available. The relationships cultivated between administrators and students, along with countless organizations and experiences obtained through IFC fraternities, help result in an unparalleled student experience. Perhaps the most notable factor is the level of excellence consistently achieved throughout the Greek community, as Greek members constantly maintain higher academic standards, retention rates, and initial job placement after graduation than those not affiliated with Greek Life. The University has been positively impacted by the prestigious Greek men and women, and you will hopefully join the ranks.

The Fraternity and Sorority community at The University of Alabama has a tradition rich in history and campus involvement. Since the founding of the University's first fraternity in 1847, the Greek community has flourished. Joining a fraternity means lifelong commitment and is a decision that you should not take lightly. With that lifelong commitment also comes lifelong relationships and benefits. Each fraternity offers a unique experience for you to grow as a leader in your scholarly and philanthropic endeavors. With roughly 4,000 members currently involved within 34 IFC fraternities on campus, our individual members, chapters, facilities, and charitable donations are among the most premier in the nation.

Whether you are a parent, a prospective fraternity member, or currently affiliated with one of our chapters, I hope this guide will answer any questions you have. If not, please do not hesitate to contact myself, chapter presidents, chapter recruitment chairmen, or other members of the Interfraternity Council. I look forward to the opportunity to meet you all in the fall.

Sincerely,

Jack Hastings

MAX HAWKER

2026 IFC VICE PRESIDENT OF RECRUITMENT

Dear Potential New Member,

We appreciate your interest in IFC Fraternity Recruitment. For the past 179 years, Greek Life has been a pillar of the Capstone. It has been responsible for much of the rich history of this University. With the help of the 34 chapters that make up the Alabama Interfraternity Council, we have created an informational guide to help you throughout your recruitment process. This guide includes each chapter's unique characteristics and helps you gain insight into the differences between our chapters at The University of Alabama. We hope this recruitment guide is beneficial and informative.

The first step every potential new member must take is registration for IFC recruitment. You can find this under the "Recruitment" tab on our website, www.universityofalabamaifc.com. Through registration, recruitment chairs will be able to access your contact information. If you have not been contacted by any recruitment chairs, please use this guide to initiate the process. This is an exciting time for you, as thousands of active brothers and alumni can attest to the value of joining a fraternity at The University of Alabama. The recruitment process is an amazing opportunity to meet new people and get involved as an incoming student. I hope that you take full advantage of this opportunity and get the chance to experience the greatness of Greek Life here at The University of Alabama. All of us as members of the IFC Executive Council are here to help you every step of the way. I look forward to getting a chance to meet you all. This school is where legends are made; leave a legacy behind that you and your family will be proud of. Welcome to the best possible Greek Life experience!

Please feel free to contact me or any IFC members with questions regarding the recruitment process. I hope you enjoy your time at the Capstone and find the fraternity that best fits you.

Roll Tide!

ABOUT IFC FRATERNITIES AT UA

The Interfraternity Council (IFC) serves as the governing body for the 34 fraternities at The University of Alabama that are primarily associated with the North American Interfraternity Conference (NIC). For the past 179 years, fraternities have excelled in academics, leadership, athletics, and service. The University of Alabama is known for its strong Greek system and commitment to excellence. The IFC serves its members by sponsoring several enriching programs throughout the year. IFC continually works with the Alabama Panhellenic Association, the National Pan-Hellenic Council, and the United Greek Council to further strengthen and support the UA Greek community's values and vision.

COUNCIL AWARD FOR OUTSTANDING COMMUNITY IMPACT

The North American Interfraternity Conference's Council Award for Outstanding Community Impact recognizes Interfraternity Councils (IFCs) that participate in and provide opportunities for meaningful community outreach, service, and actively engage campus and community partners to enhance belonging and inclusion in the fraternity experience. Nine communities in the nation are selected annually, and our IFC was the recipient of this award in 2024 and 2025 for our efforts in engaging in meaningful service and outreach to foster inclusion and strengthen campus and community partnerships within the fraternity experience.

NPHC BREAKING BARRIERS AWARD

The Breaking Barriers Award was awarded to the Interfraternity Council in the Spring of 2026 at the NPHC Breaking Barriers Reception. It honors students, faculty/staff, and/or alumni whose impact exemplifies leadership, advocacy, and excellence throughout the University.

LEADERSHIP & CAREER OPPORTUNITY

Becoming involved in a Greek organization provides students with the chance to experience different leadership opportunities on campus. Our organizations encourage their members to be heavily involved with our 600+ campus organizations. Each Greek organization allows its members to take on leadership positions within their chapter that will serve as a beneficial bridge to becoming leaders on campus. Alumni relationships within each chapter serve as opportunities to network and connect with older members. Alumni open up opportunities to mentor the members of their chapter and equip them with the necessary tools to be successful after college.

SCHOLARSHIP & ACADEMICS

Here at The University of Alabama, our fraternities uphold strong academic standards, with the average GPA of the 34 IFC chapters remaining at or above the all undergraduate men's GPA since Fall 2020. Fraternities provide resources such as academic advisors, study hours, and academic plans to support student success. The IFC Invitational Golf Tournament, founded in 2025, also supports the Tim S. Hebson Endowed Scholarship, investing in the academic future of fraternity members across campus.

PHILANTHROPY & SERVICE

Philanthropy and service play a large role in the fraternity experience at UA. Every chapter has philanthropic efforts that range from fundraisers to service days within the community. Individual members are encouraged to get involved with the chapter's philanthropic and service efforts, as well as explore other opportunities to get involved within the community. The Interfraternity Council supports chapter-specific initiatives and additionally provides opportunities to give back to the campus community. Recently, the IFC has held events benefiting the Camelia Center on campus, UA's Counseling Center, West Alabama Food Bank, and Live Strong Foundation.

BROTHERHOOD

Greek fraternities were founded as a network of support for men who went through similar experiences. The fraternity is a great way to enhance the general college experience through brotherhood and friendship. Brotherhood means building bonds between members of the Greek community and working towards the shared goal of a better campus for all students. Brotherhood does not end once our undergraduate members leave campus. Our Greek community individually establishes lifelong relationships.

FREQUENTLY ASKED QUESTIONS (FAQ)

WILL I NEED TO MOVE IN EARLY TO TAKE PART IN IFC RECRUITMENT?

This year, there will be no early move-in period for Fraternity Recruitment. We strongly recommend that you move in on the first available date, August 14th, to maximize your opportunity to receive a bid. Chapters should not request or require that any New Member or Potential New Member arrive on campus prior to their selected move-in date. All move-in arrangements and registrations should be made through the Office of Housing & Residential Communities. If you are interested in learning more about your housing options and scheduling your move-in date, please visit the Housing & Residential Communities website (<https://housing.ua.edu/>) or you can call their office at (205) 348-6676 or (888) 498-2262.

DO I NEED LETTERS OF RECOMMENDATION FOR IFC RECRUITMENT?

IFC fraternities do not require letters of recommendation for recruitment, although it is recommended to utilize any friend or family connections to reach out to chapters. A letter of recommendation does not guarantee that a bid for membership will be extended.

COMING TO BAMA BOUND, HOW CAN I GET INVOLVED IN RECRUITMENT?

We encourage you to reach out to the recruitment chairs of the chapters and let them know that you are participating in recruitment this year. IFC will be holding tabling events at Bama Bound sessions for the dates: June 8th/10th & July 7th/9th. If you're interested in a particular organization, and they are not holding an event while you are at Bama Bound, reach out to the recruitment chairmen and set up a meeting to introduce yourself.

WHAT DO I DO IF AM OUT-OF-STATE AND CANNOT VISIT OVER THE SUMMER?

It's OK to not be able to visit campus during the summer. We encourage men to begin to contact recruitment chairs before arriving on campus, and schedule times to meet them in person, as soon as you get to campus. Be sure to move in the earliest possible date to allow for ample time to meet recruitment chairs. New members are still being recruited through the start of classes.

FALL26 RECRUITMENT GUIDEBOOK

FREQUENTLY ASKED QUESTIONS (FAQ)

WHAT DO MY CHAPTER DUES PAY FOR?

Dues cover costs associated with fraternity membership, including meal plans, social events, leadership development, and other programs. As a freshman, your required UA meal plan will be downgraded to the Essential Meal Plan upon accepting a bid and being added to the chapter roster of a fraternity with a chapter-required meal plan. Living in the house is a separate fee, but dues are inclusive, in that they cover almost every other aspect of joining a fraternity.

WHAT SHOULD I DO IF I ARRIVE ON CAMPUS WITHOUT A BID?

If you have arrived on campus and have not received a bid, don't worry, as you still have time to join a fraternity. First, you will want to contact the recruitment chairmen for chapters you are interested in and see what events they have planned. Additionally, you will meet many new friends during your first few weeks at UA, and some of them may also be going through recruitment. The most important part of recruitment is meeting new people and finding the chapter in which you feel the most comfortable.

DO I NEED TO JOIN AS A FIRST-SEMESTER FRESHMAN, OR CAN I JOIN LATER?

We recommend joining a fraternity in the fall semester of your freshman year. The transition to college from high school can be difficult, and getting involved on campus, especially in a fraternity, can help to ease the transition. Also, many students point to their early involvement in a fraternity as a key factor in developing leadership skills and furthering their campus involvement. If you do decide to join a fraternity after the fall of your freshman year, some chapters will take new members in the spring, and some chapters will take sophomore and upperclassmen new members as well.

WHEN DOES THE IFC'S NEW MEMBER EDUCATION PERIOD START/END?

The Alabama Interfraternity Council requires that all new member education programs begin on August 21, 2026, and end no later than October 2, 2026. Chapters may initiate their new members at any time before October 2nd or they must initiate by Sunday, October 4th.

ABOUT IFC RECRUITMENT

ABOUT IFC RECRUITMENT

IFC fraternities may give out bids for membership during the spring and summer months before the start of classes. Although the Alabama Interfraternity Council does not host formal recruitment rounds, potential new members will have the opportunity to meet and interact with chapters during Bama Bound and through the structured recruitment period. The schedule for this can be found at www.universityofalabamaifc.com.

In order to officially accept a bid from any organization, you must be registered for recruitment with the IFC. By registering for recruitment, your name and information are made available to all the IFC fraternities. However, registering for recruitment does not guarantee a bid for membership. Remember, recruitment is about getting to know the chapters and letting the chapters get to know you. It is important that you make an effort to meet as many fraternity men as possible throughout the recruitment process. You can register for IFC Fall 2026 Recruitment by visiting our website or by clicking [here](#).

WHAT DO I NEED TO DO TO GET STARTED?

Start making connections now! Utilize the chapter contact information on our website and reach out to chapters to get more information at: www.universityofalabamaifc.com.

Schedule your Bama Bound during one of our two highlighted weeks. Make sure to register online to get your information to the chapters. Don't feel pressure to accept the first bid you receive. Know your options!

- **Accept.** Accepting communicates that this is the chapter you will join.
- **Hold.** Holding communicates that you are interested in joining, but you need more time before making a decision to accept or decline. No bid is official until August 21st, with the start of New Member Education.
- **Decline.** Declining communicates that you are not interested in joining this chapter.

Make sure to view our IFC Fall 2026 Recruitment schedule and join us at our IFC Kick-Off on August 15th.

RECRUITMENT PROCESS & RULES

PROCESS

All men interested in receiving an invitation for membership in any of the 34 IFC fraternity chapters at The University of Alabama are required to register with the Alabama Interfraternity Council through our website. There is a \$175 charge to register for recruitment. The registration fee covers the costs of recruitment events, a t-shirt, and the maintenance of the potential new member database. Your information will become available to all IFC fraternities at The University of Alabama participating in IFC recruitment. However, registering for recruitment does not guarantee that chapters will contact you about specific recruitment events. Therefore, it is recommended that you contact the recruitment chairmen of individual chapters that you are interested in learning more about. For a list of chapters and their contact information, please visit www.universityofalabamaifc.com.

In order to accept a bid for membership, you MUST log into the Campus Director system and accept your bid. If a bid has been extended to you, when you log in, you will see a drop-down menu for "Bids Extended." Select the chapter you would like to accept a bid from, and click Submit. If you do not have a list of bids extended, you have not received a bid. You can receive multiple bids throughout this process. Should you receive a bid from a chapter, it does not become official until August 21, 2026. Once you accept a bid from a chapter, you cannot accept a bid from any other IFC organization during the Fall Recruitment period.

For those individuals who have not received a bid prior to arriving on campus in the fall, the Alabama Interfraternity Council will be hosting a number of recruitment events beginning on August 15th. During these events, anyone interested in learning about an IFC fraternity may visit a chapter, meet its members, and pursue membership in that organization. If you receive a bid during this period, you will need to accept your bid through the Campus Director system.

RULES

All recruitment or rush activities associated with any chapter should be non-alcoholic. No recruitment or rush activities associated with any chapter should be held at or in conjunction with a tavern or alcohol distributor as defined in NIC Alcohol & Drug Guidelines.

WHAT IS OPEN RECRUITMENT?

PROCESS

For Fall '26 Recruitment, there will be no early move-in period for Potential New Members participating in open recruitment. However, we strongly recommend moving in on August 14th to ensure the best opportunity for success. Here is a breakdown of the process to help you make the most of your arrival on campus.

Potential New Members coming to campus will not have an early move-in period, but we strongly recommend moving in on August 14, 2026, to ensure the best opportunity for success. The open recruitment period is from August 15th-21st, and starts with an IFC-hosted Kick-Off event on the Quad. The IFC has also planned a pickleball event at UREC for Potential New Members to meet chapters. Chapters will host open houses and/or private events, depending on the chapter, for Potential New Members to visit during the week. This schedule is designed to provide ample opportunities to connect with active members, expand your network, and increase your chances of receiving a bid.

ALPHA DELTA PHI

In 1850, Alpha Delta Phi was established as the second Greek-Letter Social Fraternity at The University of Alabama. After a century-long absence, the chapter was refounded in 2013 and began to grow rapidly, returning to a house on-campus in 2019. The Alabama Chapter is dedicated to developing the entire man: morally, socially, and intellectually. The brothers in our chapter come from all walks of life, and take pride in working together to push the brotherhood and Tuscaloosa community forward. Home to many alumni, including former presidents, justices, CEO's, and war heroes, Alpha Delta Phi is focused on molding a true brotherhood that not only enhances the college experience, but also continues past one's schooling. We are looking for driven and passionate young men who want to be a part of something bigger than themselves. New members will gain the confidence and discipline needed to succeed as college students and as men in the world at large.

We are very proud that our chapter has overcome the adversity of being a relatively new chapter on campus (re-chartered in 2011) to become what we are today. Over the past year, Alpha Sigma Phi has grown significantly and has heavily increased our efforts toward service and philanthropy. We are a smaller chapter than many on campus, creating a tightly-knit group of men who know each other inside and out and will always be there as a support system for our members. In our members, we look for dedication not just to academics, but also in brotherhood, extracurricular activities, and service in the community. We want men who are personable, eager to learn, and ready to join a supportive community that will follow them throughout life. We currently have brothers in leadership positions in virtually every aspect of UA, including Al's Pals organization, UA Dance Marathon, University Stewards, Capstone Men & Women, as well as numerous honor societies. Our brothers do so many great things on this campus, such as lead worship teams, participate in investment banking interest groups, and serve the local Tuscaloosa community. It is this variety that makes our chapter so strong. In new members, we are looking for passion. We are most proud of how close all of our guys are and the willingness each of us has to help one another. Our older members help ensure our younger guys are successful here at Alabama, helping them with academics, getting involved, or any other area they wish to improve upon. We look for ambitious guys who are leaders who take the initiative to get involved on campus.

We also look for motivated individuals who strive to be excellent in the classroom. The last main quality we look for in potential members is simply being enjoyable to be around. We all spend a lot of time together and want members who will add value to a gathering.

Beta Upsilon Chi (BYX or Bucks) was formed at The University of Texas at Austin in the spring of 1985 by a handful of Christian men who desired an alternative to the present fraternal lifestyle. A group of Christian men met and planned the "BYX Island Party" to formally announce the fraternity's founding. It was the vision of the founding fathers to have a fraternity of committed Christian men, based on the unique brotherhood that a Christian atmosphere affords, for the purpose of fellowship and glorification of Jesus Christ. Through such events as parties, service projects, and evangelical outreaches, the charter members of Beta Upsilon Chi chose to unite in fellowship and glorify Jesus Christ on the University of Texas campus.

THETA CHI

The history of the Alpha Phi chapter of Theta Chi at the University of Alabama is rich with influential members on campus. The alumni are successful, helpful, and still in good contact with the chapter. The general consensus of Theta Chi at Alabama has always been that we are upstanding young men and fun to be around. The brothers are involved on campus and make a difference everywhere. The qualities we are looking for in new members should reflect those of the chapter, which are southern, intelligent, respectful men looking to be involved and forward the chapter by bringing something to the table.

ZETA BETA TAU

Zeta Beta Tau (ZBT) is a Greek-letter social fraternity. ZBT was first organized in New York on December 29, 1898. The Psi Chapter of Zeta Beta Tau was the first Jewish Fraternity on The University of Alabama campus, founded in 1915. The original Psi Chapter was colonized in Tuscaloosa with 15 men. As ZBT thrived, two additional fraternal organizations, Kappa Nu and Phi Epsilon Phi, also formed chapters on campus. Ultimately, both merged into ZBT at the national and local levels. No longer an exclusively Jewish fraternity, ZBT has been open since 1954 to “All Men of Good Character” to understand and appreciate its mission and founding purpose
