

EXTERNAL PROGRAM REVIEW COMMITTEE

Onsite Interview Questions

Interview with Students

When were you first introduced to student policies for your program and the college?

Where can I find student policies?

How did you receive information about this program? If you were going to tell a friend about the program, what would be the most important thing to include?

Describe the student services you have. Do they meet your needs? Are they accessible to you?

EXTERNAL PROGRAM REVIEW COMMITTEE

Onsite Interview Questions

Interview with Students

Tell us how you are oriented to technology used in the course/program? How do you feel about the adequacy and accessibility of the technology?

Do you have an opportunity to evaluate the courses and faculty?

What do you like best about this course/program?

If you could change one thing about the course/program, what would it be?

EXTERNAL PROGRAM REVIEW COMMITTEE

Onsite Interview Questions
