

Healia Option 3

Your family's medical costs – covered.

A new benefit from City of Tuscaloosa

City of Tuscaloosa is proud to offer the Option 3, a unique health benefit that covers up to **\$12,000 of your family's out-of-pocket healthcare costs** when you leave City of Tuscaloosa's plan and enroll in your spouse's employer health plan. Once you opt out, the Option 3 will cover your entire family's medical expenses.

What the Option 3 means for you

With the Option 3, you can say goodbye to copay, coinsurance, and deductible costs on your spouse's employer health plan. You'll have up to **\$12,000** of your family's out-of-pocket costs covered.

Is there a cost to enroll?

The Option 3 is free for you and your eligible family members. No payroll contribution is required. You can also continue to enroll in other benefits offered by City of Tuscaloosa.

What Healia members are saying

"Before Healia, my husband never went to the doctor. Thank God he can now, because we learned he has asthma and can finally afford his specialized inhaler."

Sounds too good! What's the catch?

We promise there's no catch! The Option 3 is a new benefit that covers your out-of-pocket medical expenses at no cost to you, with potential savings of thousands of dollars per year.

Monet Hall,
Healia Member

"100% Healia is saving me money on healthcare costs! Healia has been able to help me get a lot of my medical costs back so we're not seeing as much of a hit to our account as we used to."
