KNOW BEFORE YOU GO

Frequently visit worldsofwork.com. Click the Events tab, then click Community WOW. Resources are athe bottom of the page.

Schedule mock interviews. Your career coach or counselor will help prepare you for interviews. Ask them about volunteers and HR teams helping you from West Alabama.

Interviews will not be pre-scheduled. You will be placed with a company based on your skills, interest, and experience listed on your registration form. Additional interviews will be allowed if time permits.

Remember to be confident! Displaying confidence shows that you have what it takes to do the work. This includes a solid handshake and making eye contact with the person you are interviewing with.
