THE PROCESS
COMMUNITY WOW

STEP ONE

Students will check in to receive an Interview Form, 4 copies of their resume, and a portfolio.
(If students did not pre-register, they will need to register on-site)

STEP TWO

Visit the human resource panel for interview placement.

STEP THREE

Students will find assigned companies and begin to interview. The Interview Form and a copy of your resume should be given to the company. Students must get the Interview Form back before moving to the next company.

STEP FOUR

After all interviews are complete, visit the resources & other available opportunities located at the back of the gym.

STEP FIVE

All students must return the Interview Form at the exit table. Failure to do so could result in not obtaining a job.
