

Ropes Course Rules

In order to use our ropes course, participants must follow these rules and guidelines:

1. Participate responsibly when on the attraction! You should be in good health to participate. You know your physical conditions and limitations, our operators do not. If you suspect your health could be at risk for any reason or you could aggravate a preexisting condition of any kind, please do not participate. Risks are inherent when participating on the attraction. Injuries that can occur, include, but are not limited to, bumps, bruises and scraps. Please be aware of the risks involving with participating. Make the operator aware of any preexisting injuries before being harnessed. Notify the manager of the attraction of any injuries on the course before leaving the area.

Individuals who suffer from high blood pressure, heart disease, back problems, emotional instability, pregnancy or acrophobia should not go on high ropes without consulting their physician.

2. You must be 48" tall to participate in this activity. No Exceptions.

3. Maximum weight is 250 lb.

4. Ensure that shoes are secure. No flip-flops or open heel shoes. Make sure shoelaces are tied.

5. Pockets must be empty.

6. No food, candy, or gum.

7. Please utilize the restroom before putting on harness!

8. No running, jumping, hanging in harness or horseplay. Operators reserve the right to expel participants displaying these behaviors.

9. The group is responsible for leaving the area as they found it, clean from debris and garbage, or additional charges may result.
