# ***Message from the Director***

Dear Friends,

Our goal is to help make Tuscaloosa, Alabama the best place to live, work and visit in the southeastern United States. We have made progress toward that goal by building some exciting new features in our parks and starting the process of modernizing some of our existing parks. Much more remains to be done.

Participating in recreation and leisure activities is what makes life fun. PARA and our local elected officials have increased the number and quality of recreational opportunities that people in our community can enjoy. In the last few years the elected officials have supported efforts to build a dog park, skate park, splash park, archery park, hiking trails, rock climbing venues, bike trails, walking paths, new fields for baseball, softball and soccer, new tennis courts and some great new playgrounds.

We are a community of number one, not a community of number two. We have great natural resources such as our river, lakes and streams, but we have very limited access to these treasures. We have parks, but are they special? We have playgrounds, but are they exciting? We can be the best – not just with college football - we can be best at life. We have a great opportunity to develop our cities and county into a special place to live. If we do this, we will reap the economic benefits of being the place where everyone wants to live and visit. We have the natural resources that many communities do not have. We also have the leaders who can make it happen for our citizens and visitors. The question is do we have the guts and vision to drive forward and follow through to actually make it happen?

We are in the middle of a \$20 million dollar park improvement and renovation plan. Funding is needed to maintain what we have built and funding will be needed to make more improvements. We are asking local leaders to help us find a permanent source of funding to maintain and improve the quality of life for all Tuscaloosans.

# **PARA's Mission**

**To enrich our community through exciting recreational and cultural opportunities**

Established through a legislative act in 1969, Tuscaloosa County Park & Recreation Authority is a county-wide, non-profit agency funded by the City of Tuscaloosa, Tuscaloosa County Commission and City of Northport. Additional funding is supported by PARA fees and income and donations to the PARA Foundation. It is governed by an eight-member board of directors who are appointed by three local governments and two school boards.

PARA maintains 32 parks and six boat landings, two islands in Lake Tuscaloosa, six Activity Centers, Ol' Colony Golf Complex, a community center and approximately 2,200 acres of green space throughout Tuscaloosa County. PARA properties include multipurpose trails, an arena, pavilions and shelters, ball fields, garden plots, playgrounds, outdoor swimming facilities and venues for specific sports.

PARA's Activity Centers offer the community indoor walking tracks, gymnasiums, fitness equipment and classes, meeting rooms and therapeutic pools. All amenities are open to the public and are available for use with membership or a fee. The variety of high quality programs offered makes PARA a driver in economic opportunity and quality of life.

PARA is constantly recreating itself to fit the needs and wants of the community. Diverse activities, parks, leisure options and cultural arts attract families and individuals of all ages and socio-economic levels. Because of PARA's broad audience, we have established a valued presence in Tuscaloosa County.

In order to keep participation high and user costs economical, PARA relies on funding from the three governmental entities we serve. This funding fluctuates annually although we work hard to seek increased funding from each of these sources as the community grows.

In addition to generating about 39 percent of our overall operating budget through program fees and being fiscally frugal, PARA is often faced with difficult decisions. Until a permanent funding source is secured, PARA will be faced with year-to-year financial uncertainty which makes planning for the future challenging.

# PARA FOUNDATION

The objectives and purposes of the PARA Foundation shall be to promote, assist, advance and strengthen efforts to improve the availability and quality of parks and recreational facilities and opportunities in Tuscaloosa County and specifically to aid and assist the Tuscaloosa County Park & Recreation Authority, the governing bodies of Tuscaloosa County, and the cities located therein, and other agencies of state and local governments, in connection with the development, improvement, and maintenance of parks and recreational facilities, programs, and opportunities. The Foundation shall conduct its affairs as a cultural, educational and benevolent, not-for-profit corporation, expressly limited to religious, charitable, scientific, literary or educational purposes within the continental limits of the United States of America.

The arts, our park lands and a variety of recreational opportunities are necessary for all citizens of Tuscaloosa County to ensure a good quality of life. Contributions are tax-deductible to the amount allowed by law and can be made in memory or in honor of someone or designated for a specific program or project. The PARA Foundation balance was \$464,262.50 as of September 30, 2014.

## Veterans Memorial Park Endowment

The purpose of the Veterans Memorial Park Endowment is to raise funds with the principle being maintained in perpetuity and the annual earnings being allocated to enhance and maintain the park.

Located on McFarland Boulevard on the grounds of the former U.S. Army Northington General Hospital Chapel, the one-acre site has been retained in public ownership, with PARA's oversight. This historic site is mandated to have a beneficial public purpose.

The Veterans Memorial Park Association worked with representatives of local governments, PARA and the private sector to create this educational veterans park. To date, the majority of the costs have been donated by the private sector, including more than \$100,000 of in-kind construction activity.

The Veterans Memorial Park Endowment is overseen by the Board of Directors of the PARA Foundation. Donors may make gifts to the PARA Foundation, designating it for the Veterans Endowment, at any time.

# PARA ACTIVITY CENTERS

PARA has six Activity Centers conveniently located throughout the community. Each center has a gymnasium, fitness equipment, catering kitchen and rooms available to rent for meetings, parties, classes or other functions. Two levels of annual center membership are available for purchase. Membership options, casual user fees and rentals are reasonably priced.

# **PARA's Recreation and Leisure Division**

encompasses almost every activity imaginable including traditional and emerging sports, leisure classes, aquatics, therapeutic recreation, outdoor adventure, special events, youth, adult and senior activities.

- The introduction of included fitness classes in activity centers was a value added benefit to PARA membership in 2014. The installation of new fitness equipment in most Centers rounded out the new PARAFit program.
- Sports activities for adults and youth include: basketball, softball, volleyball, youth football, cheerleading, instructional soccer, disc golf and Dizzy Dean baseball.
- Leisure classes are available to the community for a variety of interests including but not limited to: Zumba, baton, dance & color guard, line dancing, Yoga, Pilates, watercolor painting and dog obedience.
- Activities for senior citizens remain very popular. Such activities include: leisure classes, special events, cooking demonstrations, Breakfast & Bingo and The West Alabama Dance.
- The following aquatic programs are offered through PARA: swim lessons, water aerobics, Arthritis Foundation Aquatics, a pre-competitive swim program, lap swim, open swim times and more. The pools are also available for private and group rentals and are often used for splash parties and company parties.
- The Therapeutic Recreation program is available to adults with developmental disabilities and/or physical challenges. The program provides activities that help promote socialization, physical coordination, activities of daily living and communication skills. Participation in Special Olympics, social clubs, travel and special events are among the offerings.
- Group and private tennis lessons as well as clinics, mini-camps and challenge ladders are held at the Jack Evans Tennis Complex in Bowers Park for people of all ages and abilities. Pick-up games and open court playtime is also available. The courts are lighted with play available during regular park hours. A new Tennis Facility in Jaycee Park is expected to open in 2015.

- The Outdoor Adventure program provides opportunities for families, adults and active seniors to get outdoors and enjoy nature. The most popular trips are hiking and canoeing.
- The PARAkids Day Camp program hosted 632 elementary school-aged children during summer break and school holidays. The program offers structured recreation, skills and values that are key to child development. Activities include skating, swimming, bowling, arts and crafts, organized sports, field trips, special events, guest speakers and more.
- The Extended Day program at Rock Quarry Elementary School continues to be successful. Recreation, arts and crafts and tutoring are available to 153 students per day who participate during the school year.
- Youth sports such as girls and boys basketball, baseball, soccer, flag and tackle football and slow and fast pitch softball offer our youth opportunities to stay fit and develop athletically.
- “Celebration on the River,” the annual Independence Day Celebration on July 4, was co-hosted for the fourth year with the City of Tuscaloosa. The riverfront amphitheater location proved to be a tremendous success and estimated attendance was over 20,000. The event featured a live concert by the Tuscaloosa Symphony Orchestra, the traditionally free PARAkids Zone and a fireworks finale at dusk.
- The 2014 Christmas Parade featured the theme “Let it Snow!” Grand Marshals Jim Lawson and Tommy Hester led the 39th annual parade along with Ronnie Stith as Honorary Grand Marshal. Considered one of the largest parades of its kind in Alabama, it was broadcast live for the third year by WVUA-23.

## Arts Council of Tuscaloosa

The mission of The Arts Council is to promote and encourage the arts and humanities in Tuscaloosa County. The Arts Council serves as the umbrella organization for 50 Member Organizations, offers educational programs and manages both the historic Bama Theatre and Dinah Washington Cultural Arts Center. Member organizations are local nonprofit arts and cultural groups that contribute to the local arts community through their programming and educational services. The Bama Theatre is a historic theatre located in downtown Tuscaloosa surrounded by restaurants and nightlife. The theatre has been a Tuscaloosa feature since 1938 and continues as a venue for entertainment and the arts. Art, educational, independent and foreign films are shown as part of the Bama Art House Movie Series. Film festival partnerships have included the Jewish Film Festival, the Black Maria Film Festival, Manhattan Short Film Festival and the German Film Festival. The Council recognizes volunteers, educators and artists in the bi-annual Druid Arts Awards and the Small Grants Program nurtures small and pilot arts activities. Bama Fanfare, SPECTRA and the Poetry Out Loud educational programs serve over 30,000 children annually. Annual exhibitions in the Junior League Gallery and the Greensboro Room gallery include the West Alabama Juried Show, the Visual Arts Achievement Awards and the Double Exposure Photography Competition. In 2013 the organization opened the Dinah Washington Cultural Arts Center, located in the existing four-story 1903 Allen/Jemison building at the corner of Greensboro Avenue and 7th Street on the same block as the Bama Theatre. Venues in the facility include a black box theatre, The Arts Council Gallery, The University of Alabama Gallery, the Grand Hall, professional catering kitchen, conference room and office space.

**Member Organizations Include:** Actor's Charitable Theatre, Alabama Blues Project, Alabama Choir School, Alabama Heritage Magazine, Alabama Public Radio, Arts 'n Autism, Barbershop Harmony Society, Brookwood High School Drama Dept., Caring Days, Children's Hands-On Museum, Community Network Association, Inc., Crossroads Arts Alliance, Drishti Friends of the Arboretum, Kentuck Museum Association, Kip Tyner Productions, Nano Fiction, Northport Elementary Music, Northwest Alabama Arts Council, Pointe Society of Tuscaloosa, Prentice Concert Chorale, Shelton State Community College Sister Cities Commission, Stillman College Fine Arts String Quartet Society of Tuscaloosa, Theatre Tuscaloosa, Tuscaloosa Academy Fine Arts, Tuscaloosa Children's Theatre, Tuscaloosa County High Drama Department, Tuscaloosa County Preservation Society, Tuscaloosa Community Dancers, Tuscaloosa Museum of Art: Home of the Westervelt Collection, Tuscaloosa Public Library, Tuscaloosa Sports and Tourism Commission, Tuscaloosa Symphony Orchestra, Tuscaloosa Symphony Guild, Tuscaloosa & University Painters, University of Alabama Art Department, University of Alabama College of Arts & Sciences, University of Alabama Community Music School, University of Alabama Creative Campus, University of Alabama Department of Theatre & Dance, University of Alabama Paul R. # Ol' Colony Golf Complex

The dream of a championship public golf course for Tuscaloosa was realized with the opening of Ol' Colony Golf Complex in the year 2000. Within one year, it was named one of the “Top 5 Best New Public Courses in America” by Golf Digest. Since then the Jerry Pate designed course has continued to live up to this reputation.

The name Ol' Colony is a reference to the Boys Colony, a former home and farm for boys with disabilities. The 597-acre site is leased from the Alabama Department of Mental Health. Remaining acreage is ample enough for an additional 18 holes. Initial project funding came from a \$3 million loan from the City of Tuscaloosa, a \$3 million bond issue backed by the Tuscaloosa County Commission and private donations.

**The year 2014** was a banner year to enjoy beautifully maturing greens and grounds made possible from last years \$1,125,000 renovation project. A total of 31,655 rounds were played. A couple of events of note include the Southeastern Junior Tour, which brought in youth from all over the southeastern U.S. including Texas and Kentucky and The Alabama Open, presented by the Dixie Section PGA, which hosted the top amateurs and golf professionals from our state and Northwest Florida.

**The First Tee of Tuscaloosa** is dedicated to providing young people of all backgrounds the opportunity to develop life skills through golf and character education. Now in the fifteenth year, it has grown to serve participants on-site and in the community. The program served approximately 13,000 youth in city and county elementary schools, over 1,200 in community outreach programs and certified 400 on-site during 2014.

**The Jerry Pate Golf Center at Ol' Colony** is one of the top practice facilities in the nation and serves as the official home of The University of Alabama's golf programs. Ol' Colony is proud to support the 2013 and 2014 NCAA national championship team for men and 2012 NCAA national championship team for women.

**The Pro Shop** is fully stocked with everything a golfer might want in brand name golf gear. **The Diner** features a generous menu of made-to-order breakfast and lunch specialties. Alfresco dining on the patio makes for a memorable experience for golfers and non-golfers alike.

**The Brion Hardin First Tee Teaching Facility at Ol' Colony** is equipped with a Trackman Launch Monitor, V1 Pro Software and Explanar Plane System, an indoor putting area and two hitting bays for fittings and lessons. Individual and corporate rate lesson packages are available.
