

Things you need to know about summer camp at Timberlake:

*We have prepared a packing list with our suggestions. You can find the link on our website. Your child may need more, but we do ask that you send everything on the list. We will use it all. And please remember to label your child's belongings.

*We pass out mail every day at camp. You can mail letters to your camper at PO Box 466, Millport, AL 35576. Please keep in mind out of town letters (i.e. anything mailed outside of Millport) can take 3 or more days to reach us. During registration, we will have a station where you can drop off letters for your camper if you don't want to snail mail them. If your camper is coming as part of a group, you may send a large envelope with daily notes for your child.

*Should you need to contact your child while they are at Timberlake please don't hesitate to call our office at the number listed below. Somebody will answer the phone day or night. You can stay connected to all the fun your child is having by checking out our Facebook page. We have a Facebook account called Timberlake Ministries that will have camp pictures uploaded to it daily. Be sure to like our page so you don't miss out on all the fun.

*You will need to set up a spending account for your child either on registration day or through our website. You can set up a spending account online with a credit or debit card by clicking on FORMS under the LEARN tab. Campers will have an opportunity to visit our dairy bar and arcade room daily. You can see our menu as well as the prices on our website under the LEARN tab under Dairy Bar and Snack Shop. Any money not spent will be rolled over into our mission fund. You can get more information about El Salvador missions on our website.

*Please be as detailed as possible on the registration form's medical section listing all allergies and medical history for your child. Our camp nurse will be on site the entire camp. We will keep basic over the counter supplies here. If your child needs to take prescription medicine, please bring it to camp in its original container with dosing instructions on it. We cannot deviate from the dosing instructions listed on the medicine.

*If you have any questions, please don't hesitate to call our office. 205-662-8798
