

November 1st, 2018

Greetings!

As I write this leaves are changing colors and the fall weather is finally here! Many people think of college football this time of the year, but I'm thinking of Summer Camp 2019. We have many exciting things to share with you before you sign up to join us. Some of those things are:

- We have new staff members like myself who are committed to seeking the Lord first in planning the best camp experience for your church.
- We have prayed for about two months before settling on a biblical theme of "I AM".
- We have rearranged our daily schedules with Him in mind first and you in mind second as the leader of your group.
- We have multiple bands committed to worship in the morning, throughout the day, and evenings.
- We will have a team of counselors hired and trained to share their testimony, pray, and encourage your children in their walk with the Lord.

Can you tell that I'm excited?!? There are many more things I could tell you about next summer, but I believe these things are the most important now as you are making plans for your group. Please take a moment today to pray for me, our staff, and next summer. We want to cover those weeks with prayer and give you the resources to prepare your group now before they come to have the best week! My goal is for each person to see Jesus, know Jesus on a personal level (if they don't already), and leave here telling people about Jesus.

*MATTHEW 28:18 And Jesus came and said to them, "All authority in heaven and on earth has been given to me. 19 Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."*
