

RESOLUTION OF THE  
TUSCALOOSA COUNTY ROAD IMPROVEMENT COMMISSION

**RESOLUTION NO. 20-012**

**RESOLUTION REAUTHORIZING EXPENDITURE OF \$250,000 TO THE  
ALABAMA DEPARTMENT OF TRANSPORTATION FOR PRELIMINARY  
ENGINEERING COSTS ON US-82 AND SR-69 & AUTHORIZING  
ASSOCIATED FUNDING AGREEMENT**

**WHEREAS**, the Tuscaloosa County Road Improvement Commission (TCRIC) has entered into a funding agreement with the State of Alabama Department of Transportation (ALDOT) that allows for certain reimbursements by and between these parties; and

**WHEREAS**, in Fiscal Year 2019, ALDOT requested \$250,000 in preliminary engineering costs for the priority project intersection improvements at SR-6 (US-82) and SR-69, and TCRIC provided those funds by Resolution No. 19-010 and its distribution of \$250,000 to ALDOT by check; and

**WHEREAS**, ALDOT later determined such funding was not yet ripe for acceptance due to its internal status of this project and returned the distribution check to TCRIC in Fiscal Year 2020; and

**WHEREAS**, ALDOT has now determined these funds can be utilized for preliminary engineering in Fiscal Year 2020 and has again requested that these funds be provided by TCRIC (see request attached hereto as Exhibit A); and

**WHEREAS**, this intersection is part of Project #4 as "Project A" in the TCRIC-ALDOT agreement.

**NOW, THEREFORE, BE IT RESOLVED**, by the Tuscaloosa County Road Improvement Commission, that its Chairman is authorized to enter into a funding

agreement with ALDOT for the purposes outlined in this resolution and further, that \$250,000 be paid to the Alabama Department of Transportation to fund preliminary engineering costs for intersection improvements on US-82 at SR-69.

**BE IT FURTHER RESOLVED** that no amendment to the TCRIC accrual-based budget is necessary for this expenditure.
