

PATIENT FINANCIAL RESPONSIBILITY STATEMENT

Thank you for choosing North River Surgical Center as your healthcare provider. The medical services you seek imply a financial responsibility on your part. This responsibility obligates you to ensure payment in full for the services you receive. To assist in understanding that financial responsibility, we ask that you read this form. Feel free to ask questions regarding your financial responsibility. If someone else (parent, spouse, domestic partner, etc.) is financially responsible for your expenses or carries your insurance, please share this policy with them, as it explains our practices regarding insurance billing, copayments, and patient billing. By signing below and/or by receiving medical services from North River Surgical Center (NRSC), you agree:

1. You are ultimately responsible for all payment obligations arising out of your treatment or care and guarantee payment for these services. You are responsible for deductibles, co-payments, co-insurance amounts, or any other patient responsibility indicated by your insurance carrier or our FINANCIAL POLICIES, which are not otherwise covered by supplemental insurance.
2. You are responsible for knowing your insurance policy. For example, you will be responsible for any charges if any of the following apply:
 - i. Your health plan requires prior authorization or referral by a Primary Care Physician (PCP) before receiving services at NRSC, and you have not obtained such an authorization or referral.
 - ii. You receive services in excess of such authorization or referral
 - iii. Your health plan determines that the services you received at NRSC are not medically necessary and/or not covered by your insurance plan.
 - iv. Your health plan coverage has lapsed or expired at the time you receive services at NRSC.
 - v. You have chosen not to use your health plan coverage.

If you are not familiar with your plan coverage, we recommend you contact your carrier or plan provider directly.

3. You will be required to follow all registration procedures, which may include updating or verifying personal information, presenting verification of current insurance and paying any co-pays or other patient responsibility amount at each visit. Your card or other insurance verification must be on file for your insurance to be billed. If we do not have your card on file, or are unable to verify your eligibility for benefits, you will be treated as a self-pay patient. As a self-pay patient, our fee is expected to be paid in full at the time of service. If the insurance card or other necessary information is furnished after the visit, we may file a claim with your insurance and if paid in full by

your insurance, you will be reimbursed. If you are not prepared to make your co-pay or other patient responsibility amount, your visit may be rescheduled by NRSC.

4. We may verify your insurance benefits or submit your claim to you primary and secondary insurance carrier as a courtesy to you. It will be the patient's responsibility to file claims with any tertiary or subsequent policies. You agree to facilitate payment of claims by contacting your insurance carrier when necessary. Without waiving any obligation to pay, you assign NRSC, for application onto your bill for services, all of your rights and claims for the medical benefits to which you, or your dependents are entitled, under any federal or state healthcare plan (including, but not limited to, Medicare/Medicaid), insurance policy, any managed care arrangement or other similar third-party payor arrangement that covers health care costs and for which payment may be available to cover the cost of services provided to you. You authorize NRSC and associated physicians, staff and hospitals to release patient information acquired in the course of your examination and/or treatment including but not limited to any and all medical records, notes, test results, x-ray reports, MRI reports or other documents related to your treatment (including itemization of any charges and payments on my account) that is deemed necessary to process this claim to the necessary insurance companies, third party payors, and/or other physicians or health care entities as they require to participate in your care. It is important to notify us as soon as possible of any changes related to your insurance coverage. Failing to do so may result in unpaid claims, and you will be responsible for incorrect information given by you or your insurance carrier regarding your insurance benefits or benefit plans.
5. If your insurance carrier does not remit a timely payment on your claim, you will be responsible for payment of the charges within the terms set forth herein. Once your insurance carrier processes your claim, we will bill you for any remaining patient responsibility deemed by your insurance carrier. If any payment is made directly to you for services billed by us, you promptly submit the same to NRSC until your patient account is paid in full. If you make a payment that results in a surplus on your account for which you are financially responsible, including your account, a member of your family's or dependent's account, or on any account for which you are a Financial Responsibility Party, and any remaining balance will be returned to the payor.
6. You will be mailed a billing statement that contains the total cost of your service(s) or procedure(s) received during your visit(s). You may generally expect this billing statement within twenty (20) days after your insurance company has responded to a submitted claim. You must notify us of any errors or objections to the billing statement within thirty (30) days or they will be deemed accurate, and the fees and expenses shall be deemed reasonable and necessary for the services incurred. If there is a problem with your account, it is your responsibility to contact the Patient Account Staff to address the problem or to discuss a workable solution.
7. Whether or not you have insurance or are self-pay, payment of any account balance is due within thirty (30) days of receipt of your billing statement. If any balance on your account is over ninety (90) days past due, your account will be in default and auto referred to a collection agency.
