Re: General Education Competencies

Good afternoon everyone,

Listed below is the General Education Rubric committee. The General Education Rubrics have been developed and implemented campus wide. Faculty have placed their assessment findings into SPLO and it is now the charge of this committee to review the data and summarize the findings, to make improvements where needed in our outcomes. This process will happen with a sequence of meetings to work collaboratively.

Meeting Schedule: **Review General Education Outcome Data for 2016-2017**

September 6: Communication & Critical Thinking

Location: Student Success Center Professional Development Room

Time: 2:00-4:00

September 10: Diversity, Ethical Reasoning and Computer literacy
