Manufacturing Quality Southern Pine Products

From Our *Sustainable* Southern Forests

Since 1907

**Surfaced 3 sides, nosed one edge (S3SN1E)**

The image shows a stack of wooden planks. The top plank is a light-colored wood with a visible grain. Below it, several darker-colored planks are visible, some with a rounded edge and others with a square edge. The text labels point to these different edge profiles.

**One edge is square**

**One edge is rounded**
